is totally self-sufficient. County Memorial Hospital compare with rates over the

rest of the state? Overall, Garrett County Memorial Hospital rates are one of the lowest in the state. Our medical/surgical room rates are sixth lowest out of 52 hospitals. Our Obstetrical room rate is fourth lowest out of 40 and Pediatrics is second lowest out of 35. Our Emergency Room charge is the second

lowest statewide. It is important to note that rates must be compared in proper perspective. Since hospital income comes from rates charged, the only way to plan, develop and acquire new equipment, personnel and services is to increase rates. The Garrett County Memorial Hospital has done this very cautiously to strive

Poison Ivy

Plants of the poison ivy family are likely the single most often encountered cause of painful, itchy skin rash in the United States today.

This family of plants can grow in the great variety of conditions of soil, water and sun present in all states of the nation. There are several varieties, all causing the same trouble.

Poison sumac is a shrub or small tree. The others are Remember the old saw: 'Leaflets three, let it be."

Washing with soap and water soon after exposure might help reduce the skin rash, the American Medical Association says. Cold water compresses will bring relief from itching and reduce inflammation. Calamine lotion will hasten drying of the blisters. Extensive and severely uncomfortable eruptions may require medications prescribed by a physician.

The only method for preventing poison ivy rash is avoiding the plants. There is no effective skin protectant or immunizing technique. The plants can be dug out, or de-

Turkey Submarines Turkey Salad

Hot Turkey and Gravy Sandwiches

Turkey and Rice Soup

NUTRITION NOTE: You can make a nutritious and tasty soup stock by using turkey bones and small scraps of meat. Combine bones, small scraps of meat, 1 onion (chopped), 1 carrot (sliced), several stalks of celery with tops (chopped) and, at least, cups of water. Cook over medium to high heat for one hour. Remove from heat, strain the broth and add salt and pepper to taste. Use as base for any soup recipe.

TIP OF THE WEEK: Many people don't care for turkey because it is too dry for their tastes. Turkey need not be dry if cooked properly. Remember to cook turkey slowly at low heat to retain moisture. Also, be careful not to puncture skin so that

League Action Begins Sunday

The Oakland Pen-Mar Baseball team opens the season Sunday at the Potomac State College baseball field, Keyser, with a doubleheader beginning at 2 p.m.

This year's Oakland team will include Mark McCarty, Rick Bridges, Corky Sweitzer, Rob Burge, Craig Wengerd, Al Cvetnick, Mark Thorn, Lawrence Nazelrod, Dave Shotwell, Doug Green, Ernie Shotwell, Ed Wildesen, Franchy Barnett, Frankie Lewis, Dave Bender, Terry Helbig, Mike Brady, Tom Cuppett and Craig Sullivan. The team will be coached by George Brady and Wayne Mc-

Carty. Oakland will once again be competing in the Southern Division with Romney, Keyser, Island Creek and a new entry, Moorefield. The Northern Division is composed of

Garrett County's Planetarium—All This and Heaven Too!

by Jim Willis

'Are the stars out tonight, begins the recent Art Garto that question and anything else dealing with astronomy, just ask Jim Hart, director of

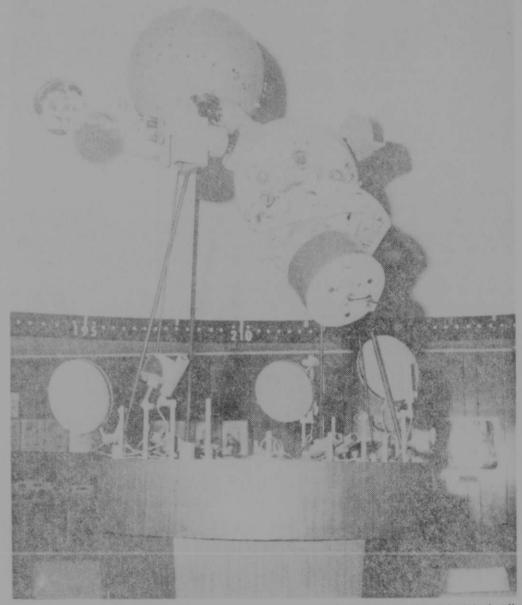

Jim, a member of the Middle Atlantic Planetarium Society, has been directing the county's planetarium for two years. Since his appointment to the position he has done much to add new curricula and implement those of Wes Lovelace and Paul Frank, who preceded

The planetarium features a technological marvel, a specialized projector which duplicates the heavens onto a dome constructed of perforated aluminum sheets. The projector, also called a planetarium, was manufactured by Spitz Space Systems, Inc. and was originally purchased a decade ago for around \$35,000. The "planetarium" is known affectionately as A3-P and can project 1,352 stars from its starball. Unlike some later models it will only project those stars that can be seen with the naked eye. By using the nautical ephemirus, setting the dials for 39 degrees, 25 minutes north of the meridian, plotting several coordinates, projecting a month/date line and checking charts for moon how the sky will look on any given night in Garrett County. Sounds simple doesn't it?

The planetarium projector is so detailed that Jim found it necessary to study similar models at Spitz. Inc. in order to use it properly. A special three-week course was conducted at the institute which included a week of slide making processes and a week of "naked eye astronomy" as taught by well known astronomer, George Reed. The final week included hands-on

The planetarium projection room seats as many as 70 people, but Jim prefers to work with groups of 30 on a classroom level. Both strictly educational and slightly more entertaining sky-shows are presented. Several of the more elaborate shows that use a variety of slide and movie projectors and a complicated sound system are "The People Program," which deals with the American Indians' interpretation of the universe; "The Loneliness Factor," presents what it would be like to live on other planets in our universe and "The Legacy" provides a guided tour of outer space presenting past suppositions and future predictions. These sky-shows are leased or purchased from Hansen Planetarium in Salt Lake City, Utah.

The planetarium is also proved invaluable in this area. syllabus for county teachers room. Gary helps in coordinating the that lists the available lessons.

FROM STAR WARS' BAR SCENE? - "A3-P" is the technical name for this "plantetarium" phases, Jim Hart can show you or star projector. Its revolving star-ball projects 1,352 heavenly bodies on a specially constructed dome. Attachments such as a clear Earth globe give you a view of the heavens from the earth's core; the projector can also duplicate the star placement at any point in history, from any

TWO ENTERPRISING TYPES - Jim Morancey, left, senior experimental engineer for Hamilton Standard, presents planetarium director, Jim Hart, with a painting of the first space shuttle, The Enterprise. Mr. Morancey conducted a program on man's recent and future conquests of our largest frontier, outer space. We're sure that when the shuttle begins taking reservations, these two will be the first to go.

talents of Gary "Dusty" grading the quality and dents are often given a Loch Lynn, Accident, South-

READY FOR TAKE-OFF - Jim Hart, director of the Garrett County Planetarium gets ready for a presentation. The sky-shows require a vast array of slide and movie projectors, lights, recorders and a special planetarium projector. Jim must coordinate the components with the help of Dusty Stanton, resource specialist for the Board of Education.

Morancey's firm is under showing and an announcement on the cycle, were injured. contract to NASA to construct specialized hardware and equipment for the space shuttle which is scheduled to leave early next summer. Hamilton Standard manufactured the portable life support systems (PLSS) that were used during the 1969 moonwalk.

Hamilton recently developed five environmental control subsystems (ECS) for the space shuttle. Several examples of the representative equipment were on display and students had an opportunity to try on a helmet, gloves and the liquid cool garment that is worn under a space suit.

Morancey explained that the first space shuttle, called The Enterprise, and four other shuttle crafts are expected to be used almost weekly, sometime in the 1980s, for the round trip flights between Earth and the orbiting space lab. Because the shuttle will be rented to private enterprise and foreign governments for research purposes at an anticipated rate of \$22 per pound they will pay for the initial investment with a fifteen dollar return per dollar of expenditure.

LUKE SKYWALKER, LOOK OUT - Wally Isaacs, a student at Northern High School wears the latest thing in interplanetary undergarments. This Liquid Cool Garment is worn under the spacesuit and the plastic tubes circulate fluid to maintain a constant body temperature. Prior to the space age, people wondered what the Scotsmen wore under their kilts now everyone wants to know what the Astronauts wear under their suits. The answer is diapers. Honest!

Mankind is already reaping concerning the program is exmany benefits from the space pected to be made at a later program. Women Voters Plan Meeting On Government

The League of Women Voters of Garrett County will meet Monday, May 23, at 7:30 p.m. at the home of Jessie and Raymond McCullough in Friendsville. The program will be under the direction of Dorothy Leuba.

Last year the group discussed the commissioner form of government and presented a public affairs radio broadcast on the numerous duties and powers of the commissioners. At this meeting the other possible forms of county govern-

ment will be presented. All citizens of voting age, including men, may be members of the League. All interested citizens are invited to attend.

Speed Continues On Court Docket

Many speeding violations continued to show on the docket of District Court for the week ending May 16. A few appeared before Judge Lewis R. Jones for trial but all others forfeited collateral for ex-

ceeding the posted speed limit. Rodney B. Glotfelty, Jasper Riley road, Mt. Lake Park, pleaded guilty of exceeding the posted speed limit and was

Lt. Gen. Juan Beauchamps Javier, minister of state for the Armed Forces, announced that the armed forces were not carrying out a coup with the apparent electoral defeat of incumbent President Joaquim Balaguer and said the military would not deviate from its institutional functions.

His terse announcement on a national network said the armed forces would limit themselves to maintaining order and preserving democracy. The first public reaction was one of skepticism due to the rupture of the electoral processes when the army halted ballot counting in the middle of the night.

THE CRITICS

Lesson for May 21, 1978

Background Scripture: Devotional Reading:

neither act or write plays but criticizes those that do." That may not be an entirely fair definition, but I can't help thinking that there is more than critic as "a person who can to Christ.

The circumcision party

people who devote themselves to missed the boat? telling everyone else what they are doing wrong. Of course, this today? is hardly a contemporary development, for the Bible in-Council of the Christian Education, National Council of the Christian Education, National dicates that we have always had Released by Community Press Service.)

For example, in Acts 11 we find Crellin Circuit, C. Franklin Mick that, although the church is very, very young, some parties and Sunday morning, 9:45 a.m.; 2nd factions had already sprung up and 4th Sunday evening, 7:30 within the church. Following his experience with Cornelius the Sunday morning, 9:45 a.m.; 1st told that "when Peter went up to Kurtz Chapel: 2nd and 4th

SOME MORE FACTS ABOUT HYPERTENSION High blood pressure is more common in women

than in men. The average age of onset is about 35. although it is not unusual to find it in younger people. Onset after 55 years of age, however, is uncommon. Diabetics are at least twice as liable to develop high blood pressure as non-diabetics. Also, it is generally accepted that heredity is of

great importance in the developing of hypertension. A child whose parents both have high blood pressure has

a greater chance of becoming hypertensive. YOUR DOCTOR CAN PHONE US when you need a medicine. A great many people entrust us

Free Photography Seminar Scheduled

G. David Green, local professional photographer, will be sponsoring a free photography seminar on Sunday, June 25, at his studio on Second Street in Oakland.

The seminar, which will begin at 1:00 p.m., will center primarily on picture mounting, specifically for presentation in the current Garrett County Photography contest being sponsored by Associate Judge Fred A. Thayer and the county commissioners.

Mr. Green said that there may be more than one such seminar, depending on the level of interest. Persons wanting more information should contact Mr. Green.

We have several unpublished commercial & investment type properties. Call for details.

Gary Yoder - Winging His Way to Fame ...

by Jim Willis

God's eye may be on the sparrow, but Gary Yoder, 19 of Grantsville has his eye on the Sparrow Hawk. Gary is a son of Olen and Viola Yoder and has been carving birds since he was eleven years old and in recent years has won national

acclaim for his work. Many of his carvings take as long as a month to complete. Gary becomes so involved in his work that he's been known to spend 14 hours a day on one bird although he usually works on several birds simultaneously.

The carvings begin as detailed sketches and then a rough form is sawed from high quality basswood. Gary then begins carving the three dimensional outline of the bird.

The bird's head is usually constructed from another piece of wood so that it can be turned to the appropriate angle on the body piece. After suggesting the feathering with his knife, Gary spends hours meticulously burning the barbs of each individual feather into the wood.

Once the burning is completed the most tedious work begins; Gary must paint each feather with subtle colors of producing a life-like carving.

To finish the bird, Gary adds realistic glass eyes and then constructs feet from wire, lead solder and epoxy resin which is then painted. The finished product is mounted on driftwood or other appropriate

Gary has in previous years entered his work in the miniature division of birdcarving competitions. He was required to progress through the novice and amateur classes, but he recently began to exhibit in the professional

Gary placed first in the professional prey bird category in the World Championship Wildfowl Wood Carving contest held in Salisbury, Maryland, April 22 and 23. His carving, a life-size Sparrow Hawk, also took the third Best in Show prize among all professional

life-size carvings. The Salisbury show's professional category is considered to include the premier bird carvers in the United States and Canada. Competing against Yoder was William Schultz who had carved the 1977 World Championship the National Championship carving was done in 1976 while Gary was still exhibiting in the held in New York this March. Gary's Sparrow Hawk had finished third in the National show. He noted that he had "toned down the size of the feet" after bringing the carving back from New York, and that it was probably that change being released. Gary is known which enabled him to finish for his patience and underahead of Schultz's piece in the standing with birds and he is

International Show. According to Glen Smart, birds of prey. Often he has one of the judges of the contest, Yoder's carving was one successfully returned them to of the best Sparrow Hawks ever exhibited in Salisbury. He lt was enjoyable spending noted that "it had many subtle several hours with Gary, characteristics which made the learning the different techbird grow on you the more it niques of his art. His patience, was studied.

Gary demonstrates carving impressive....I couldn't help and exhibits some of his work remembering something from at Penn Alps in Grantsville Jonathan Livingston Seagull; during the summer months. He in essence the author wrote, stated that he is presently "some of us crawl, many walk negotiating with a museum in and a few of us fly"....Gary Denver, Colorado, and a Yoder soars. to sell the Sparrrow Hawk Kolb Graduates With carving. He did not comment Honors From ISU on any possible prices, but from talking with him I found that his prices were extremely of 194 students who were reasonable. WILL THE REAL SPARROW HAWK PLEASE STAND UP acrylic paint. The painting - It may be difficult to tell, but the one on the left is the real technique is recognized as Sparrow Hawk. Gary is nursing the injured bird back to health being the most difficult step in before releasing it. On the right is Gary's carving of a Sparrow Hawk. The carving was his first entry in the professional

category of the Salisbury show and earned an impressive first place and third best in show. The bird was carved from eight different pieces of basswood, then twelve individual tail feathers were carved and inserted into the body.

SURVIVAL OF THE FITTEST - Gary's carving of a carving and had earlier won Peregrine Falcon and its prey exemplifies Darwin's theory. The a first place in the miniature category and second best in show.

amateur class. Even then he was an award winner and earned

JUST WADING AROUND - This miniature carving of a Heron is so lifelike you almost expect it to spear a fish out of the air. The bird is one of Gary Yoder's earlier carvings and was awarded a first place and third best in show in the Novice class of the 1973 Salisbury show. Gary values his earlier carvings because, in comparison to his later work, they are prime examples of the strides he has made in his art.

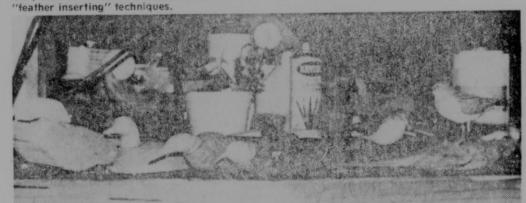

LESSER SANDPIPERS — The only thing "less" about these sandpipers is the fact that the one on the right lacks a leg. The carving is in the final stages of completion and Gary will be finishing the legs and feet with wire, lead solder and epoxy resin. This carving is a prime example observing live birds at his ask to speak with a Youth of Gary's realistic painting technique that has drawn praise from judges. His Lesser Sandpipers seem destined for fame and recognition upon completion.

LETTING THE CHIPS FALL WHERE THEY MAY - Gary Yoder, 19, of Grantsville, sends the woodchips flying as he carefully carves the body section of a future masterpiece. Gary has been carving birds for eight years and has quite a collection of ribbons and awards for his work.

WATCH THE BIRDIE - When a carving is this realistic it pays to watch it carefully, you never know when it may take off. The carving is of a Sparrow Hawk done by Gary Yoder several years ago, and although it is life-like, compare it to the carving above, also of a Sparrow Hawk. Gary has made tremendous advances in his art and now uses difficult woodburning methods and

FROM START TO FINISH - Amid the clutter of the artist's workbench, several bird carvings begin to take shape. Gary spends as long as a month on one bird, sometimes working 14 hours a day. He generally works on several birds simultaneously and the different steps of a carving are displayed on his workbench. From left to right they are: a rough outline of the bird is sawed from basswood; the body and head shapes are then carved separately; the head section is glued into place and the outlines of the primary feathers are carved; with a woodburning tool, Gary etches the shape of each feather and the individual barbs of the feather; the tedious process of painting the carving realistically begins; finally the feet and legs are constructed and the carving is mounted on a base.

PRESERVING A SPECIES - It's sad to realize that carvings like these of endangered birds may be the only examples our children will have of certain species. This Heron is another of Gary's earlier carvings and it won a first in category and second best in show at a Salisbury

That Construction Is Growing In Maryland

Maryland State Comptroller Louis L. Goldstein told the Maryland Associated Builders' Majorettes for the 1978-79 and Contractors' convention school year are Lee Ann Cervi, meeting in Hershey, Pennsylvania, on May 12 that the State Cathy Renner, Connie is committed to spending mil-Schroyer and Brenda Wake- lions of dollars on construction field. Connie Schroyer was projects in the coming fiscal year, continuing many projects such as the Washington area Trudy Carpenter, a student Metro System, the Baltimore at NHS, was on Kids World on Subway and Convention Center, improvements to the Baltimore and Washington Beltways, Baltimore-Washington International Airport and the Port of Baltimore.

The Comptroller also announced a State General Obligation Bond Sale for June 21, 1978 when \$115,350,000 in bonds will be sold by competitive bids to finance school construction, water and sewer projects, general State construction and the third payment on the Baltimore Convention Center.

"The 1978 session of the Maryland General Assembly approved \$190.9 million in bond bills, which are awaiting action by Acting Governor Lee. In addition, the Maryland Department of Transportation will be spending approximately \$220 million on various construction projects during Fiscal Year 1979," Mr. Goldstein told the builders.

The State Comptroller also told the group that one billion, fifty-three million dollars in State public school conapproved since the program began in 1971.

"These are just some of the omy. ways Maryland is building today to meet the needs of to-

Deep Creek Lake Listings Wanted

QUESTIONS & ANSWERS

Q. We are planning to sell our house this spring and we would like to list with several real estate companies in order to try and get a sale faster. Is this possible?

A. Yes, providing you make sure that the listing contract you sign with each broker is an open nonexclusive agency agreement, otherwise you could be liable for more than one commission regardless of who makes the sale. Also, all real estate offices should keep you advised of the names of the persons to whom your property has been offered.

Send in your questions to our office. All questions will

RESIDENTIAL

SILVER TREE INN

We reveal our Five Tantalizing Secrets!

(1) KALAMATA OLIVES imported from Greece - the world's finest olive

(2) ROMANO CHEESE imported from Italy. We grate it daily for exquisite taste. (3) FRESH GROUND PEPPER for your salad.

(4) COOL & CRISP SALADS prepared from fresh ingredients after you are seated. We never let premade salads sit around all day. Extra work, yes - but what a difference! (5) SLOWLY COOKED SAUCES & PASTA dishes are prepared each morning. As noon approaches, the aroma in the kitchen is almost irresistable.

Not Just A Day Off . . .

Memorial Day is a day for a variety of feelings and _____ emotions. Primarily, it is a day of memories or VOLUME 102 remembrance of those persons who are now gone from this life. Receiving special recognition are those people who sacrificed their lives for the future and the freedom **Dr. Brent Johnson** of America. Our recognition should reach back, not just to those who died in the Vietnam, Korean and World conflicts, but all the way back to those who died in the days GCC Graduation of the Revolutionary War.

Memorial Day is also a day of thanksgiving. We do Dr. Brent Johnson, from the not just remember the dead, but we give thanks to them,

Community Colleges, will be we honor them, for their supreme efforts in making life so the guest speaker at the Gar-

Memorial Day is a day of caring. Ribbon Cutting, Parade To Mark Memorial Day

An official ribbon cutting ceremony will be held just rior to the annual Memorial Day parade in Oakland Tuesday at 10:30 to mark the opening of a new parking lot on Liberty Street to Oakland customers.

Mayor H. D. Swartzentruber will officiate at the ceremonies. The lot is being leased for the convenience of customers by the Mayor and council, and the Downtown Oakland Merchants Associ-

ation. Immediately after the ribbon cutting, the parade will leave from the parking area and make its way to the Oakland Cemetery, for ceremonies at 11 a.m. Del. DeCorsey Bolden will

be principal speaker. Included in the parade to the tomb of the unknown soldier will be the mayor and council, World War I veterans, Knights of Pythias, VFW, Disabled American Veterans, Boy and School senior band, Southern Middle School Band, Dennett

Commander William Goldsborough of Proctor Kildow Post 71, American Legion in Oakland, will be the master of ceremonies.

THE EXTRA

IS WHAT YOU GET FROM

THE DALE

A new understanding of what motivates people—yourself included—is just one of the extra advantages offered by the Dale Carnegie Course. With this knowledge comes new confidence in your own ability to cope with problems and meet life's challenge. You acquire self-assurance, poise and you're more comfortable in new situations or meeting with people. This results in better relationships with business associates and your family and friends. You also benefit from:

*Increased confidence in yourself. . Being able to adjust to change with greater ease. *Developing a brighter and more positive mental outlook. *Improving the skills that are sought after in business.

The Dale Carnegie Course can help you gain the "extra advantage." Find out more

Scott Glotfelty Is Scholarship Winner

Scott A. Glotfelty, son of Mrs. Ruth M. Glotfelty. Route 1, Accident, and the late Robert O. Glotfelty, was recently named a Dresser Harbison Foundation Scholarship winner, one of 30 children of Dresser employes to receive the 1978 awards.

Scott, who hopes to pursue a career as a veterinarian, developed an interest in animal welfare from working on his parents' farm. Vice president of the Bittinger 4-H club and representative of the Garrett County 4-H club, he spends his summers judging dairy cattle, poultry and horses on the county judging teams, and served on the Maryland State Horse Judging team. His work for the 4-H club merited him a Citizenship award.

Ranking first in his graduating class of 131 from Northern High School, Scott took active part in speech contests and dramatic events, placing second in the 4-H Voice of Democracy script contest dur-

from the HP Store's team.

The Southern High School golf team raised its seasonal ledger to 23-3 Monday at the Oakland Country Club as they defeated Beall and Bruce in a triangular meet.

The Rams, coached by Bill Freyman were low scorers with 337 while Beall shot 392 and Bruce 428.

Jeff Orr and Larry Sanders led Southern with a low score of 80 while Kevin Plummer shot a 90 for Beall and Bob Hutton a 95 for the Bulldogs.

Southern plays again today at home against Moorefield. They currently register a 128-4 overall career record.

Board at the Garrett County 3. Is it true that all Bibles Memorial Hospital? If so, who have been removed from the rooms at Garrett County

There is no truth to this at all. Every room at the hospital has at least one Bible - some have more. There has never been any discussion or thought to the contrary.

A hike in oil prices has been ruled out this year.

Students at Accident Elementary School participated in a model rocket launching program Monday under the direction of science teacher, Don Mitchell. The students constructed their own rockets during three one-hour sessions. The rockets were judged on flight, construction and painting and winners received model rocketry kits donated by the Arts and Crafts Center. Pictured left to right are first place winners, Doug Fuhrman and Jesse Brobst; second place winners, Bill Friend and Chris Sisler; third place winners, Darwin Dilsworth and Troy Ash; fourth place winners, Truman Kahl and Bill Kahl.

ONLY 2,974 MILES - Students at the Broad Ford Elementary School physical education program began their jogging program Monday. They will be running from Baltimore to San Fransisco! Actually they will be logging the equivalent of 2,974 miles by running a one-half mile metric track plotted by fifth grade teacher, Les McDaniels. The idea of "running" from city to city was developed by Dr. Allan Cononaco, supervisor of physical education programs for W. Va. The program will continue next year on an individual basis. Pictured above is a map with the route from Baltimore to San Fransisco. Students will also learn about cities on the route and the

geography of states they will be "running" through.

WIN A TEDDY BEAR - Helene McCauley, member of the Southern Middle School PTA, gives young Jeff Spencer a shot at knocking down the milk bottles at a fun carnival held last Friday evening at the school. The event was sponsored by the PTA and the proceeds are to go towards the purchase of new lockers (complete with locks) for the students of Southern Middle. At right, Jeff demonstrates his skill. He is the son of Mr. and Mrs. Carl Spencer, Oakland.

PRESCRIPTION FOR INSOMNIA

Lesson for May 28, 1978

Background Scripture: Devotional Reading: 2 Corinthians 4:7-18.

Let's get the picture of a very when Peter's loyalty had not fared so well. That night. Herod the King had begun a violent persecution of Christians in his kingdom. James the brother of John was killed brother of John was killed had been resurrected. Peter had been resurrected. Peter had been resurrected. tense situation. outright. Simon Peter, the chief realized that he had not been

Rev. Althouse order to please enough to vindicate him and save the Jewish him from extinction. Let Herod trouble-makers who were daily do his worst, it would not matter. increasing their complaints That Peter was not really anagainst the church.

Behold an angel

If you had been Simon Peter, knew that God would win in this how would you have felt? It situation, but he did not realize seemed everything was crash, that God's victory would mean ing down about him and he could his escape from Herod's clutches hardly have forgotten how he had It didn't matter how God won his denied his Master three times on victory to Peter, for either way a similar night of great crisis. So Peter knew that he was securely how do we find him? Luke tells in God's keeping.
us: "The very night when Herod This, then, was the prescription was about to bring him out. Peter of faith and leyalty that allowed was sleeping ...

A valued associate senselessly should have kept him awake. slain, the church under perstain, the church under per-secution, the faith endangered. himself likely to lose his life (Council of the Churches of Christian Education, National Released by Community Press Service.) and Peter was sleeping!

What was his secret prescrip tion for finding sleep on a night

Broad Ford Recreational Park, which offers swimming, fishing, sailing, sunbathing and picnicking, will officially open this Saturday. The L&R Corporation, comprised of members of the Oakland Rotary Club and the Oakland-Mt. Lake Park Lions Club, will operate the concession stand once again this year. All proceeds will go back to the park. The present goal of L&R is to earn enough money to construct a pavillion. Some longer ranged possibilities include completion of a ball field, construction of tennis courts, a basketball court and perhaps an ice skating rink. Other possible projects being discussed include night swimming, jogging and cross country trails and the purchase of some paddle boats.

 $\label{eq:NICE_CATCH} \textbf{NICE_CATCH} - \textbf{Jack Michaels prepares to unhook a nice rainbow trout which was pulled out of Broad Ford Lake Sunday}$ afternoon by his wife, Nancy. Also pictured is Ron Michaels.

Broad Ford Park — Recreation For The Entire Family

The sandy beach at Broad Ford has been picked clean and the grass has been mowed by Oakland Town employees in preparation for the onslaught of sun bathers and swimmers. The

John, Jack, Nancy and Ron Michaels enjoyed a successful day of trout fishing at Broad Ford Park Sunday afternoon.

These three youngsters utilize the boat launching ramp at Broad Ford as a warm seat for fishing. The ramp is located at the end of the center parking lot

equipped with dozens of charcoal grills and pichic lables, all are, seated left, Andrew Orr, Patty Roberts and Mary Maleer. Standing are Mark Proulx and Gary Heginbotham. Seated right are T. J. Thomas and Dani Hartman.

INTEREST DOWN - COST UP

By DON CARSTENS Deep Creek Realty

Are you waiting until interest rates drop before you buy a home? Do you think that this \$339.68. If the interest will save you money? The home you have your eye on will cost you more in monthly So, it's obvious that the payments one year from overall value of the now - even if the interest home - not the interest rate drops one percent.

mortgage, the monthly payment would be \$336.00. But one year from now, if prices keep rising at the average rate, the now \$50,000 home would likely cost \$55,000. If the interest rate decreased to 8%, not only would the down

payment be \$1,000 more, but the monthly payment would increase to rate stayed at 9%, the payment would come to

rate - makes the biggest For example, take a impact on your monthly home that costs \$50,000. payment. Since there is With a 20% down no indication of property payment and financed values decreasing, the with a 25 year, 9% moral of the story is buy now or pay more later.

If there is anything we can do to help you in the field of real estate, please phone one of our offices: LAKE OFFICE

HONORED AT DINNER - Karl Line, third from right, was the guest of honor recently at a surprise dinner given by members of the finance committees of the five churches on the Grantsville United Methodist Charge. The dinner was held at the Mt. Zion Church in appreciation of his faithfulness in serving as charge treasurer for the past eleven years. Mr. Line is also chairman of finance for the Emmanuel Church. Others pictured are Miss Leanna Layman, treasurer, Mi. Zion Church; Miss Karen Durst, treasurer, Jennings; Mrs. Sadie E. Triplett, pastor; Mrs. Linda Edwards, Grantsville freasurer; and Lawrence Hockman, State Line, member of the finance committee. Mrs. Carolyn Ganoe, president of the Mt. Zion United Methodist Women, was in charge of dinner arrangements, assisted by Mrs. Zeola Robeson and other

Generally, there are two types of hearing loss. In a conductive hearing loss, the problem lies in the outer or inner ear. Conductive hearing problems can be caused by a number of things: wax may be blocking the ear canal; the tissue lining the middle ear may be infected; the eardrum may be punctured; or the tiny bones in the middle of the ear may not move properly. Fortunately, many conductive hearing problems can often be treated successfully by medical or surgical measures.

generally not correctable and hence is the type most commonly offset by use of a hearing aid. Here the problem is in the inner ear and is the result of damage to the hair cells, nerve fibers, or both. There are many causes of nerve hearing loss including illnesses

Signup Deadline Miss Sharps To Wed Mr. Trautwein Is Extended For

Mr. and Mrs. Frederick L. Sharps, Oakland, announce the engagement of their daughter, Pamela Kay, to Charles G. Trautwein III, son of Mr. and Mrs. Charles G. Trautwein, Jr., also of Oakland.

Miss Sharps will be a graduate of Bridgewater College, Bridgewater, Va., with a major in elementary education.

Mr. Trautwein has completed his sophomore year at the University of Maryland, majoring in mathematics. Both are graduates of

Southern High School. No date has been set for the wedding.

Farm Programs Maryland farmers have been given an additional two weeks to sign up for the 1978 wheat, feed grain and cotton programs, Paul A. Crowl, Chairperson of the Maryland Agricultural Stabilization and Conservation ASC Committee, reported. The May 15 deadline has been extended through May 31, 1978. 'The additional time should

be helpful to farmers whose busy schedules may have prevented them from visiting the County Office, and also to those who may still be undecided about participating," Crowl said. He explained that there is no penalty if set-aside participants decide not to plant a program crop such as barley, wheat, corn or grain sorghum, and that they should sign up to assure themselves of program benefits.

Farmers who sign up will be eligible for price support loans, target price and disaster payments for barley, corn, grain sorghum, and wheat on the participating farm, and eligible for loans on any other normal crop acreage grown on the farm. Farmers must also sign up by May 31 to qualify for barley, corn, and grain

sorghum voluntary diversion made in the program, such as voluntary diversion feed grain \$3.40 per bushel. Crowl said that the Depart- acreage for payment, wheat ment extended the signup grazing and hay payments, 1978 farm programs, contact period because of late changes and also increase in target the local County ASCS Office.

Mrs. Stevenson Honored On 91st Birthday May 14

Mrs. John Stevenson, Boonsboro, and a former resident of Mt. Lake Park for many years, was honored on her 91st birthday with a buffet dinner at the home of Mr. and Mrs. Joseph Murray, Springfield, Va., Sunday, May 14. Mrs. Murray is a granddaughter of Mrs. Steven-

Twenty-eight members of her family were present. Mrs. Leo Helbig, Mr. and Mrs. Kenneth Stahl, Mr. and Mrs. John Stevenson, Jr., Thomas W. Stevenson, Mr. and Mrs. Robert H. Stevenson, Mr. and Mrs. Robert E. Railey, Roberta Railey, Mrs. Debbie Hartley and Eric Hartley, Joseph, Jr., Brian, Cynthia and Jennifer Murray, Mr. and Mrs. Fred Stevenson, Nikki and John Paulie Stevenson, Melissa and Julie Stevenson.

Five generations were present, represented by Mrs. Stevenson, Kathryn Helbig, Vava Railey, Debbie Hartley and Eric Hartley. Youngest family member attending was John Paulie Stevenson, one year old, son of Mr. and Mrs. Fred Stevenson.

On Friday, May 19, The Neighborhood Club of Mt. Lake Park, of which Mrs. Stevenson is a charter member, honored her at a luncheon held at the South Mountain Inn, Boons-

New Traffic Sign Will Soon Appear On State Highways

"No turn on Red" is the new traffic sign motorists will be seeing soon at many intersections throughout Maryland. In June, the State Highway

Administration will begin installing the new signs in preparation for Maryland's "Right-Turn-on-Red-After-Stop" law (RTORAS), which takes effect July 1.

Baltimore City and some other local jurisdictions have already begun installing their 'No-Turn-on-Red" signs.

Earn \$10,000 to \$30,000 Yearly RAISING CHINCHILLAS start in a spare room, garage.

NEW LOOK FOR MEMORIAL DAY WEEKEND — State Trooper James L. Bailard puts an 'Operation Care" decal on his patrol car in preparation for the Memorial Day weekend. All marked State Police cars working the Interstate highway system in Maryland will display these stickers to remind motorists to drive carefully during this dangerous weekend. State police and highway patrols from Maine to Florida will be paying special attention to speeders and other traffic law violators on Interstate 95 and other selected routes in an attempt to save lives and energy. Maryland Troopers will be aided by the use of radar, VASCAR, helicopters and unmarked vehicles. "Operation Care" stands for combined accident reduction effort. (State Police Photo by Bill Clark.)

intersections. Between 20 and or a high accident rate at the 30 percent of the state's intersection. signalized intersections will be signed to prohibit movement through a red light. These intersections will be posted with the "No-Turn-on-Red" signs. Turning right a red light

emphasis on corner influences as previously.

Q. My house has two bedrooms. My neighbor has a three bedroom house. In spite of that, we are both assessed alike. Why?

A. A third bedroom in a home will contribute to its total value, but the specific influence can be hidden by many other factors. Since you have not mentioned any other differences, I must assume that your neighbor's home is similar to yours. If you live in a newer development, your homes may even have been built by the same builder.

Two homes, each twenty feet by forty feet, might have any number of rooms and room Annual arrangements but, other things

The assessors, Part of the reason is due to the who are consigned to follow the fact that families are smaller. trend rather than set the pace, Another is due to the liberalican no longer place the same zation of lending policies by banks and other financial institutions. For example, older couples can frequently get 30year financing which was practically impossible only a few years ago. Moreover, many singles - perhaps more women than men - are now purchasing homes and maintaining separate, one-person households, setting a trend for what was formerly an uncommon practice. Banks and most lending institutions were reluctant to make mortgage loans to single persons, women in particular falling victims to

this attitude. Taking another approach, if your homes are different and not of similar size, other factors such as style and design might mean a difference in the assessment. Certainly the quality of construction, embracing both craftsmanship and materials, carry a higher value. Still other causes could be the ages of the two homes - if they were not built at the same time - and their relative degree of repair, deterioration, or

neglect. In either case, whether or not they are alike, there might still be another reason, for instance, an assessor error. This situation could readily be determined by examining your property description card during your first hearing. You the properties, and you should market sales data sufficiently.

the marketplace no longer The assessor will also review differentiates between two and the information and make the three bedroom homes. The appropriate adjustments in his present day emphasis is more sales analysis. on the total size of the structure than on the number or their work for the assessments configuration of the rooms.

present their argument that using sales data that results

using the side yard for a short being equal, could have the the sales analysis method

A. From a sound business standpoint, personal property should not be included in the sales price of residential real estate but should be negotiated as a separate transaction. The settlement attorney will usually be careful to extract any amount in the sales figure for personal property when he Maintenance and lawn home is bringing a signific- presents the deed for transfer and recording, because the property transfer tax is figured on the total amount of the consideration. Personal property consists of

such items as draperies, rugs, refrigerators, furniture, garden equipment, and tools. Often the line between what is considered part of the real property and what is considered personal property is very indistinct. A window air conditioner is always considered personal property, extent that space allows. whereas central air conditioning is always included as part of the real estate. Wall to wall carpeting would be considered part of the home because its installation is considered more or less permanent. Area rugs, although they also serve as floor covering, would be considered personal property because they can be rolled up and taken when the owner moves.

A guideline, to differentiate between real estate and personal property, is that, if the item can be taken and is normally taken when an owner sells his home then it is personal property. If it is built into the home or affixed more or less permanently, as a built-in oven would be, then it is considered part of the home.

Actually, the percentage of real estate transactions that include personal property of a significant aggregate value is small. Sometimes the personal property is thrown in as an added attraction to help sell the property. In one recent sale, a couple sold their boat along with their property because they were moving into an apartment. The boat sale should have been listed as a eparate transaction

Allowances should be made in the appraisal so that the assessment represents the value of the real property after the value of the personal property has been extracted. The property transfer record. which is filed with the assessments office, has a section to denote whether personal property was included. This document is available to public inspection, and property owners can check this to verify if the personal property was should verify that the assessor included in the price. The is aware of the differences in property owner can also request the assessor to check his be satisfied that he has assessment to make sure that analyzed the cost indices and the value of any personal property is subtracted and not The important thing is that made a part of the assessment.

Assessors are now beginning that will become effective q. How do property owners January 1, 1979. They are

APPRAISAL SERVICE

Deep Creek Lake Listings Wanted

QUESTIONS & ANSWERS

Q. We have just started shopping for a home and found the prices to be very high. Should we wait in hopes that prices will lower?

A. Chances are home prices will go even higher; part of the reason is inflation. Investing in a home now before prices go higher is one of the best hedges against inflation. Keep in mind that next year's 'bargain" price may be today's going price.

RESIDENTIAL

MT. LAKE PARK - Three bedroom ranch style home with partial basement. Large living room with fireplace, dining room, kitchen. Interior needs to be finished. Garage \$32,300.

ORDINANCE

ORDINANCE OF THE MAYOR AND TOWN COUNCIL OF MOUNTAIN LAKE PARK, MARYLAND ENACTED PURSUANT TO CHAPTER 26 SECTION 74 OF THE CHARTER OF THE TOWN OF MOUNTAIN AKE PARK, TO PROVIDE FOR SERVICE CHARGE TO BE EVIED AND COLLECTED OR THE PURPOSE OF THE INSTALLATION, REPAIR, AND MAINTENANCE OF THE TOWN SEWER SYSTEM AND REMOVAL

for a Variance from the terms of Council of Mountain Lake Park the Zoning Ordinance to allow a passed an Ordinance date May 7, 1968, effective July 1, 1968 providing for the levying and collection of a service charge of retail sale of fire wood on the Ten Dollars (\$10.00) per year for Allegheny Land and Timber use of the sewer system; and WHEREAS, the cost of installation, maintenance and the Street and Oak Street (Zoned removal of sewerage have increased substantially since the

passage of the said Ordinance; WHEREAS, the Town of Mountain Lake Park is empowered to bill and collect a service charge for the operation system, pursuant to Title 12 of the Code of Public Local Laws

Charter of the Town of Mountain Lake Park:
NOW THEREFORE, BE IT
ENACTED AND ORDAINED BY
THE MAYOR AND TOWN
COUNCIL OF MOUNTAIN

(1971) Chapter 26, Section 74, the

LAKE PARK THAT: 1. The Town of Mountain Lake Park shall bill and collect a service charge of FIVE DOLLARS (\$5.00) per month for each in-town residential user; SEVEN DOLLARS AND FIFTY CENTS (\$7.50) per month for each in-town commercial user; FIVE DOLLARS (\$5.00) per month for each apartment unit,

for each connection to the sewer system of the Town of Mountain TEN DOLLARS (\$10.00) per month for each out-of-town residential user; TWENTY FIVE DOLLARS (\$25.00) per month for each out-of-town commercial user, and TEN DOLLARS

(\$10.00) per month for each 2. The Clerk-Treasurer of the Town of Mountain Lake Park shall bill and collect the above rates to the owner or owners of the property, as shown on the tax rolls of said Town, on which the said connections are located: All out-of-town users will pay the rates specified above. Billing will

in advance on a quarterly 3. All bills shall indicate the names of the owner of the

of the property served, and the number of sewer connections located on the said property.

4. All bills shall be due and payable within 30 days of the billing date. The failure to pay the said bill as stated may result in a discontinuance of service. A penalty of \$.50 shall be charged on all bills not paid within 30

5. All service charges shall be a lien on the property collectible in the same manner as town taxes or by suit at law.
6. All service charges collected

pursuant to this Ordinance shall be applied to installation, repair, and maintenance of the Town sewer system and for the cost attributable to the removal and disposal of sewerage within and without the Town of Mountain

Lake Park.
AND BE IT FURTHER ENACTED AND ORDAINED

THAT:
7. This Ordinance shall become effective on July 1, 1978 for in-town users and July 1, 1977 for out-of-town users:

8. The Ordinance of the Mayor and Town Council of Mountain Lake Park dated May 7, 1968, concerning the collection of a TEN DOLLAR (\$10.00) per year service charge be and is hereby

Rumor Hurts . . .

As we have stated several times before, Garrett Countians are blessed with a rather high quality of life VOLUME 102 here on the mountaintop. People here, for the most part, get a real kick just out of living. However, there is one "Distress" Areas popular pastime which we could all do without, that is, the creation and the spreading of rumors and gossip.

Selected For

What amounts to nothing more than pure, unadulterated hogwash is passed off as fact and then Urban Program spreads like wildfire, growing in intensity along the way. Rumors seem to be the most abundant after a tragedy

Garrett and Allegany occurs, such as the disastrous fire last week which took counties and 11 towns in the two counties were listed by the the lives of three of our citizens.

The family of the victims of this horror story surely week as among 12,000 comsuffered enough, without the added negative effects of munities which would qualify outrageous stories which people have originated through as distressed areas under nothing but speculation and sensationalism. These insane President Carter's proposed rumors are tossed about as facts, but haven't an ounce of urban program. substance or proof. The only person who would know posi- Area communities include tively if there were foul play surrounding this particular Deer Park, Oakland, Friendscase would be the medical examiner, and he ruled that ville and Kitzmiller. In Allethere was no foul play whatsoever.

People should learn to keep silent until those in Lonaconing, Luke and Westcharge can investigate, find the real facts and then be ernport were listed. given a chance to release those facts via either radio or In addition, Hagerstown, newspaper.

This particular phenomenon is common in all rural liamsport in Washington areas. It would be wonderful if Garrett County could County would qualify, as would Rumor is like a disease. It is contagious, infectious

THE CHESAPEAKE AND POTOMAC TELEPHONE COMPANY OF MARYLAND

NOTICE OF PROPOSED REDUCTION IN TELEPHONE RATES AND PROPOSED CHARGES FOR CERTAIN CALLS TO DIRECTORY ASSISTANCE

The Chesapeake and Potomac Telephone Company of Maryland has filed with the Public Service Commission of Maryland proposed revisions to its tariffs which provide for a reduction of 30 cents in monthly rates for basic residential telephone services and for charges for calls to Directory Assistance in excess of a specified allowance. Under the proposed revisions, the monthly rates for residential services would be reduced by 30 cents coincident with the introduction of charges for calls to

Directory Assistance. The proposed revisions concerning Directory

Assistance in general provide the following: — For residential customers, there would be no charge in any month for the first 12 direct-dialed calls per line to local (411) and Maryland long distance (1 or

301+555-1212) Directory Assistance. For business customers, there would be no charge in any given month of the first 3 direct-dialed calls per line or trunk, or 3 calls per each 8 Centrex main stations. There would be a 20c charge for each direct-dialed call in a given month beyond the applicable allowance.

However, there would be no charge for calls to Directory Assistance from the residential services of customers with physical or visual handicaps which keep them from using a telephone directory provided by the Company, or from coin telephones, hospitals, hotels, motels or mobile telephones.

— There would be no charge for calls to Directory Assistance outside of Maryland (area code +555-1212). Where the regular "0" operator was directed by a customer to connect the customer with Directory Assistance, a charge of 40c would apply on each such call.

The Commission has suspended the proposed revisions for a period of not more than 150 days from May 17, 1978, and instituted proceedings to consider the justice

and reasonableness of the proposed revisions.

The proposed tariff revisions are available for inspection at the Public Service Commission, Room 904, 301 West Preston Street, Baltimore, Maryland, and at the following Maryland offices of C&P Telephone: 179 Main Street, Annapolis; 2014 Mondawmin Mall and 323 North Charles Street, Baltimore; Harford Mall, 670 Bel Air Road, Bel Air; 411 Race Street, Cambridge; Morgnec Road, Chestertown; 123 South Liberty Street, Cumberland; Columbia Mall, Columbia; Talbottown Shopping Center, Easton; Frederick Shopping Center, Frederick; 16105 Shady Grove Road, Gaithersburg; 26 Baltimore-Annapolis Boulevard NW, Glen Burnie; 111 South Potomac Street, Hagerstown; 415 Pennington Avenue, Havre de Grace; 4307 Jefferson Street, Hyattsville: Landover Mall, Landover; 313 East Charles Street, La Plata; 312 Laurel Avenue, Laurel; 328 Washington Street, Leonardtown; 200 East Alder Street, Oakland; North Plaza Mall, Waltham Woods and Joppa Roads, Parkville; Salisbury Mall, Civic Avenue, Salisbury; 57 East Main Street, Westminster; Wheaton Plaza South Office Building, 11160 Viers Mill Road, Wheaton; and also at 130 North Main Street, Keyser, West Virginia; 428 West Main Street, Clarksburg, West

Virginia: 145 Fayette Street, Morgantown, West Virginia. Parties who can demonstrate sufficient interest, who want to produce direct evidence, and who believe they cannot be represented adequately by the Office of People's Counsel, may request leave to intervene in this proceeding through their own counsel by filing with the Public Service Commission, 301 West Preston Street, Baltimore, Maryland 21201, six copies of a Petition Requesting Leave To Intervene by no later than the close

of business on Friday, June 16, 1978. There will be a prehearing conference on Wednesday, June 21, 1978, at 11:00 o'clock a.m., in Room 904, State Office Building, 301 West Preston Street, Baltimore, Maryland, at which time petitions seeking intervention will be considered and the dates for evidentiary and

evening sessions will be set. Anyone who wants to submit written comments regarding the proposed revisions may send such comments to the Public Service Commission, Room 904, State Office Building, 301 West Preston Street, Baltimore,

George Edwards Will Walnut Bottom Seek Nomination For Church Sponsors **House Of Delegates**

George Clayton Edwards officially announced today that he will seek the Republican nomination for the House of Delegates representing District 1-A, which encompasses all of Garrett County and Election Districts 9, 10, 15, 18, 19, 25,

Edwards was educated in local schools and graduated with honors from Fairment 58), and as a bookkeeper for State College with a BS Degree, Sanders and Hershman's in Business Administration. While at Fairmont, Edwards made small college Allment with the Garrett County American fullback, and was drafted by the Baltimore Colts. He is a former member of the tary and supply clerk and in Grantsville Town Council and is presently a Garrett County Commissioner. He has served portation as an accountant three years on the Maryland Association of Counties Legislative Committee, and is pres-

Tri-County Council. He is a member of the Grantsville Lions Club, Grantsville American Legion, Post 214, PTA, Lonaconing Republican Club, and associate member of FOP Lodge 40. He is a member of St. Paul's United Methodist Church where he is Chairman of the Charge Pastor-Parish Relations Committee and an assistant Sunday School teacher. George resides in Grantsville with his wife Linda, daughter, Kristin Dawn,

and son, Paul Clayton. Coordinators of his campaign are Gene Zumpano, Chairman, Melvin Sloan, Vice-Chairman, Bob Stuck, Treasurer, and Mary Lou Stemple, Annie Steyer, JoAnn Robinson, and John Braskey, area coordi-

For Commissioner First Bike-A-Thon

The first annual Bike-A-Thon to raise money for the "Speed the Light" project, which buys equipment for missionaries, was sponsored by the Walnut Bottom Church May 20 at Pittsburgh Plate Glass company near Cumberland.

Dale Tasker drove the church bus carrying the riders, while Junior Tasker drove the truck carrying the bikes. Participants had a picnic lunch.

Debbie and Janice Morton, Susie and Cheryl Fazenbaker, Patty Grace, Brenda and Linda Graczyka, Tammy Ahern, Carol and Bobbie Arbogast, David McPhial, Jim and Darla Otto, Rhonda and Jake Tasker, Denny Tichinell, Roger Kifer, Judy Tasker, Tammy Pearce, Belinda Tammy Kenser, and Dennis

Bikers traveled approximately 20 miles from the Pitts-Oldtown and back.

Jake Tasker won the prize for youngest rider. Approximately \$350 was raised. Dennis assisted by Rev. and Mrs. Christopher Crawford, Beulah Tasker, Mr. and Mrs. Sonny Kenser, Brad, Heather and Jennifer Savage.

Eight From OHS Have Anniversary Celebration May 27

Eight graduates of the class of 1922 of the old Oakland High School, plus three of their spouses, gathered last Saturday at Cornish Manor for luncheon to observe their fiftysixth class anniversary.

Those present included Mrs. Edith Ream Bennett and her husband, Paul, Mechanicsville; Arthur Townshend and wife, Baltimore; Mrs. Virginia Scott Stannard and husband, Jack, Morgantown; Frederick Reis, Baltimore; Mrs. Thelma Harvey Grayson, Cumberland; Mrs. Norine DeBerry Lohr, nt. Mrs. Katherine Foley Harvey, Morgantown; and George H. Hanst, Oakland.

Letters were read from five members unable to attend. Of the original class of 19, six are

George Zimmerman Seeks Nomination

George R. Zimmerman, Star Route 2, Oakland, has announced his plans to seek the Republican nomination for Tasker, Tommy, Timmy and Garrett County Commissioner from District 3.

Mr. Zimmerman is a son of Mr. and Mrs. Lee Zimmerman, Mt. Lake Park. Born in Deer burgh Plate Glass park to Park, he has been a life-long resident of this county. He, his wife Ellen and son Jerry live on a dairy farm near Crellin which the Zimmermans' own Crawford was the chairman, and have operated for the past 25 years. Three other children, James, 26; George, 24, and Janet, 20, all married, also are county residents.

A veteran of World War II, Mr. Zimmerman served 18 of

In the back row are Amy Gosnell, Chris Teets, nursing home patients Louis Stoner and Pearl Foglepole; Carrie Johnson and Teresa Livengood Leaders are Deannie Johnson and Beverly Thrasher.

4-H Broiler Show Set June 3 At Southern High

Twenty-one 4-H and FFA youth who received chicks donated by Sterling Processing in Oakland will be participating in the annual Broiler Show scheduled Saturday, June 3, at the Southern Vo-Ag Center beginning at 9 a.m.

Sterling, through the generosity of vice president Gilman Sylvester, donated a total of 1100 chicks which are of the Ross Arbor Acres strain. Birds were debeaked and vaccinated before being given to the participants.

The Broiler contest will start with the junior entries being placed by 9 a.m., and the senior exhibitors arriving at 10 a.m. Judges will be Bill Merka, University of Maryland Poultry specialist; Pud Schroyer, plant manager from Sterling; and the USDA veterinarian at Sterling, Dr. Shahid.

Mr. Merka will conduct an educational program while birds are being evaluated, including judging tips. Ribbons and premiums will be presented at the close of the contest at noon.

Participants have been advised on procedures to follow before the contest.

Helmet Law Is Vetoed By Lee

Legislation to allow Maryland's motorcycle operators to decide whether or not to wear helmets was vetoed Monday by Acting Governor Blair Lee III.

Although Lee said it was with "considerable reluctance" he had decided to veto the measure, there was substantial evidence of more severe motorcycle accident injuries in states which have repealed mandatory helmet laws.

"I've come to the conclusion that those guys want to be free to splatter their brains all over the highway, but it's not going to be because I made it possible," Lee stated.

In referring to other bills during a press conference last Wednesday, Lee also said he would veto a bill which would have required the State Board of Public Works to hold all its meetings in public. Currently, its semi-monthly meeting is open to the public, but a meeting held before the formal meeting is closed.

The acting governor said there would be no useful purpose served by opening the informal meetings to the

Lee also planned to sign a bill that would prohibit chain stores and discount houses from selling beer and wine. now and have them (small liquor stores) eaten up by the

RECEIVE TROPHIES AFTER 47 YEARS - Garrett County Commissioner Wayne Hamilton, left, and William Harman, standing right, of the Maryland Department of Natural Resources, and planning. Patty Wiley was Wildlife Division, were honored guests at the Northern High School FFA banquet last week. In the photo principal J. Kenneth Bittinger, seated, listens as Mr. Hamilton accepts a trophy cup which was circulated in the county for top FFA dairy judges in the early 1930's. Mr. Hamilton was the top judge in 1930 and Mr. Harman was the 1931 winner. The trophies had been stored at the Accident and Friendsville high schools and were then stored at Northern High after county consolidation. The Northern FFA members decided to award the trophies to the original winners as part of the National FFA 50th anniversary celebration. Mr. Hamilton served as State Vice President in 1930 and Mr. Harman served in that office in 1931.

Refreshments were served Marie Guard Seeks She was named among the top ten in the graduating class Dairy Princess Title

There will be a maximum of twelve students enrolled. Pre-registration may be made at the Oakland Center, 104 E. Center St., Oakland, Md. For further information call 334-8266.

Phone 334-3911

WHAT TO DO IF YOU SMELL GAS.

301-387-6586

Natural gas has no odor of its own. We add one for your protection. Here's what you should do if you smell gas.

If the odor is slight, and it's near an appliance, it may simply mean a pilot light is out and needs relighting. But if there's any doubt, give us a call

If the odor is strong, leave the building. Don't flip the light switches Don't use any other electrical equipment. Don't light a match or candle everyone is out, and call us from a neighbor's phone

If the odor is outdoors, call us immediately. Don't wait for others to do it. You can reach us anytime. If you smell gas, one of our servicemen will come right to your home and make a

Natural gas is one of the safest energies you can use. And together we'll keep it that way.

Sounds of running lawn mowers, smells of freshly mowed grass, fragrant lilacs and roasting hot dogs, touches of warm sunshine on our back and gentle breezes through our hair, sights of peaceful blue skies and children playing...oh yes, good weather is here. Good weather brings a myriad of outdoor activities to our county and among them are picnics and camping.

Picnics and camping can be safe and fun for everyone if a few basic rules are followed. For picnics, thoroughly chill all foods which are normally to be served cold before packing into an insulated chest for traveling. This would include all salads and desserts with eggs, creams, mayonnaise or salad dressings. It is a good idea to keep large blocks of ice ready in the freezer at all times during the summer months. Snap top plastic containers are ideal for this because they don't leak into freezer chests as they melt. These blocks of ice insure that cold foods in a freezer chest will stay cold.

Foods which are between the temperatures of 60 and 120 degrees can pose a great danger of bacteria growth if the foods are held for any length of time before being eaten. If you plan to cook your meats at your destination, keep them cold enroute. If you have precooked chicken or any other meat and your traveling time is more than a half hour, it should be transported cold and re-heated when you arrive. If you are forming hamburgers or the like at a picnic site, be sure to wash your hands thoroughly before handling other foods. Bits of meat under fingernails provide an ideal place for germs to grow quickly in warm weather. Don't leave foods sitting on a picnic table after people have eaten. Get them back into your freezer chest quickly. These are simple rules which most people know but which are easily disregarded when we're having fun on a picnic. The following recipes are from "Junior Woman's Centennial

Cookbook" and are ideal picnic fare.

			THREE BEAN SA
1	(1 Lb.	can)	cut green beans, drained
1	(1 Lb.	can)	Kidney beans, drained
1	(1 Lb.	can)	garbanzo beans, drained

1 medium onion, thinly sliced 1 medium pepper, chopped

Crumbled crisp bacon Combine all ingredients in a large bowl and chill at least 24

1/3 cup corn oil

3 cup sugar

½ tsp. salt

25 cup cider vinegar

½ tsp. black pepper

KRAUT RELISH

By Dianne Rice Toss together:

1 #21/2 can sauerkraut, drained well 1 cup chopped celery

1 cup chopped green pepper 2 cup chopped onion 1 small jar pimentos (cut small)

11/2 cup sugar 1/2 cup vinegar 12 cup oil

Cool hot mixture and add to above ingredients. Marinate for

24 hours. Keeps indefinitely. NUTRITION NOTE: If you own the cookbook "Woman's Day Crockery Cuisine" by Sylvia Vaughn Thompson, please read on. The recipe for Silky Caramel Slices in this cookbook is extremely dangerous and not to be used. The recipe will cause an explosion and the cookbook has been recalled because of it. It deals with cooking an unopened can of condensed milk in a crockpot. Never, never heat unopened cans of food anywhere because, at least, they may burst and cause serious burns.

Tip of the week: Keep a can and bottle opener in the car glove compartment. You won't find yourself at a picnic site with a can of baked beans and no opener. Coat the bottoms of coffee pots and other pans with soap before using on open flames. Clean up time will be easier if you do. Store wooden matches in a covered glass jar...safer and no risk of damage from moisture.

NOTICE OF PUBLIC HEARING

The Garrett County Commissioners will conduct a public hearing on June 12, 1978, at 10:30 a.m., in the Grand Jury Room, Garrett County Courthouse, to present and take testimony on the proposed County Budget (including Federal Revenue Sharing and Anti-Recessional Funds) for Fiscal Year 1978-

The proposed budget is as follows:

F d'a	This Year	Next Year
Expenditures	('77-'78)	('78-'79)
General Government	\$ 466,790	\$ 583,013
Public Safety	322,799	373,604
Public Works	1,993,227	2,038,482
Health & Welfare	290,208	303,459
Correction	20,683	33,548
Education	3,508,861	3,949,328
Culture & Recreation	54,000	63,784
Public Service	58,289	55,705
Economic Opportunity	25,000	25,000
Capital Costs	1,907	150,000
Miscellaneous	288,205	304,499
Total Expenditures	\$7,029,969	\$7,880,422
	This Year	Next Year
Revenues	('77-'78)	('78-'79)
Property Tax		
1977-78 tax rate of \$2.63	\$4,582,709	
1978-79 tax rate of \$2.45		\$4,812,033
Local Taxes, Other	1,518,000	1,925,000
State Shared Taxes	141,000	145,000
Licenses & Permits	54,432	55,900
State Grants	308,534	385,800
Inter-Government Revenue	22,812	22,989
Charges for Services	107,339	106,700
Fines	500	500
Other Revenue	44,643	226,500
Surplus Appropriated	250,000	200,000
Total Revenue	\$7,029,969	\$7,880,422
	2	

The County Commissioners are proposing a reduction in the property tax rate of 18° for this tax year. Last year's property tax rate was \$2.63, and the certified value of all assessable property was \$183,000,000. The rate multiplied by the value produced revenues (less discounts) of \$4,491,209.

To produce the same revenues as last year (including certain State Aid adjustments), the tax rate would be \$2.40. This rate is called the constant yield rate. For this taxable year, the actual property tax rate is \$2.45. This rate is 5° more than the Constant Yield Tax Rate and will produce in revenue \$103,468 more than produced by the constant yield tax rate.

The proposed Revenue Sharing Budget is as follows:

REVENUE SHARING

REVENUE	1978-1979	
July - September 1978 October - December 1978 January - March 1979 April - June 1979 Estimated Interest Balance from FY '77-'78	\$ 181,282 181,282 181,282 181,282 4,000 15,000	
Total Available	\$ 744,128	

EXPENDITURES

Department	Operating Expense	Capital	Total	
General Government				
Audit	\$ 2,000		\$ 2,000	
Election Board		\$ 32,000	32,000	
Courthouse		439,128	439,128	
Geologic Survey		3,800	3,800	
Law Library		3,000	3,000	
Public Safety				
Sheriff's Department		16,000	16,000	
Education				
Board of Education		56,000	56,000	
Garrett Community College		20,000	20,000	
Roads Department	167,200		167,200	
Solid Waste		5,000	5,000	
TOTAL REVENUE SHARING LEVY	FY '78-'79		. \$744,128	

The proposed Anti-Recessional Fund Budget for the first quarter of FY '78-'79 is as follows (these funds must be budgeted quarterly):

REVENUE. EXPENDITURES Garrett Community College \$ 5,000 Garrett County Roads Dept.....\$78,276 Total\$83,276

Copies of this proposed budget are available at the County Commissioners' Office.

Rifle Instructor

Course Scheduled

NRA Training Counselor Keith Mullenux has announced that the Garrett County Junior Rifle Club will sponsor an NRA Rifle Instructor Course on Saturday, June 3, at the Extension Office located in the basement of the Post Office, starting at 1:00 p.m.

Mr. Mullenux related that the course is open to all youth and adults over the age of fifteen who are interested in helping teach young people how to shoot safely. The course will cover the basics of sight picture, sight adjustment, trigger squeeze and sight adjustment, as well as methods of effectively teaching these marksmanship skills to youth.

Interested persons should contact Mr. Mullenux at 334-8338 to join the class. A registration fee of \$2.00 will be charged to defray costs of the NRA Rifle Instructor Training Persons who desire to help

youth learn to shoot safely should consider serving as instructors at the Garrett County 4-H Camp held at the Western Maryland 4-H Center July 2-7, or at the Woodmen Camp held during July 16-18. For further information

IT PAYS TO SEW

Instant Dress Fabric

Even a beginner can make a sundress in a jiffy just by sewing a seam, hemming and adding straps or trim. Compare the cost to a ready-made sundress.

1. Hold the shirred fabric snugly around you under your arms. Generally the fit is best if the shirring is 2"to 4" smaller than your waist measurement and 4" to 6" smaller than a bust measurement. Cut away all but I" of excess fabric.

2. With wrong sides of fabric together, machine stitch center back seam, 1/2" from cut edge.

3. Try on Instant dress. Pin straps to fit securely from back to front over shoulders. Stitch straps securely at back and

> 4. Check hem length. To shorten border print more than 2", take a tuck on the inside of your garment where the border print blends into the field design above. On all over print, simply shorten desired amount at lower edge.

It pays to sew!

H-P, the Happy Place with the Happy Prices.

Additional Local News Mathias Requests Progress Report

On Westvaco Plant

Seantor Charles McC. Mathias, Jr. (R-Md.) this week asked Environmental Protection Agency Administrator Douglas Costle for a progress report on the use of local coal as a fuel at the Westvaco Plant

Seantor Mathias was joined in the request by Senator Jennings Randolph, Democrat of West Virginia

At issue is EPA's announced intention to deny the State of Maryland's request, in behalf of Westvaco, to allow Westvaco to continue to burn coal mined in Western Maryland. The use of Western Maryland coal is not only financially advantageous to Westvaco but to the economy of Western Maryland as well, Senator Mathias

Mathias and Randolph noted that Westvaco and the EPA narrowed their differences at a technical meeting April 26.

They said: "We are pleased that the recent dialogue has been helpful and hope that Philadelphia June 7 might result in further modification and a resolution of the mat-

Mathias said Westvaco is one of the areas leading businesses providing steady employment, excellent employee relations, has been a leader in the effort to clean up the Potomac River and in the fight for clean air.

"In view of the importance of the matter we would appreciate a report as promptly as possible, giving EPA's view on the progress that has been made to date and your plans to resolve the differences to a greater degree," the Senators

band concert

Miss Norma Ann Reams, daughter of Evelyn Reams, Deer Park, received an Associate of Arts degree in food service management May 28 at commencement exercises at Hagerstown Junior College. Miss Reams is a 1976 graduate of Southern High School and is currently employed by Fountain Head Country Club in Hagerstown.

oppose the appointment of such Police said two other men lawyers and have physically Help Steel Company also appeared to be involved in attacked them in the past.

A sixth defendant, Till Meyer, 34, escaped from the prison Saturday. Two armed women terrorists posed as lawyers to escape-proof prison, took a The spokesman said terrorist guard hostage and used him to escape with Miss Meyer.

Robbers Make Off With Paper Payroll

LONDON (UPI) - Four men burst into the offices of the Daily Mirror today, shot and killed a guard, and escaped with a \$380,000 payroll. The guard was shot in the stomach by a blast from a

submachine gun. He was rushed to hospital but died soon after. The four gunmen broke into a loading bay of the Daily Mirror building while a security firm was making a payroll delivery,

police said.

Police said the men escaped in a white car with \$380,000 in

the accused. The defendants payroll funds.

'THEY DON'T MAKE 'EM like they used to," is a well-known adage that could apply to this late 1800 vintage bellow organ at the St. Paul's Lutheran Church, Accident. The well preserved instrument was manufactured by the Carpenter Organ Company of Brattleboro, Vermont, and the organist had to pump the foot pedals furiously in order to elicit a tune. Perhaps for the sake of today's organists, it's just as well that "they don't make 'em like they used to."

House With No Corners Is Unusual, But Practical

spiral staircase? Mrs. Calhoun notes that a friend gave the staircase to them, never dreaming that the stairs would so perfectly fit the design of the Calhoun's dream house.

Comfortable furnishings offer a welcoming look to visitors at the Calhoun home on the lake. Wall to wall carpet did not pose a problem for installers, and Mrs. Calhoun said that there was very little waste in either carpet or any other materials used to construct the house. All masonry work was done by Mr. Calhoun, with some assistance from Okey Strawser and Allen Murray. The house was well insulated and incorporates a heatilator in the fireplace for year-round use.

Service Schedule

William Dressman, Oakland, a federal poultry inspector stationed at Sterling Processing Corporation, received a Certificate of Merit and a check for \$200 in recognition of his superior performance last Wednesday. Dr. Aftab Shahid, USDA inspector-in-charge for Sterling, right, and Dr. Rudolfo Lizardo, left, Baltimore Circuit Supervisor, are shown presenting the certificate to Mr. Dressman. The cash award and Certificate of Merit are part of the Federal government's Incentive Award Program. This program was initiated during the Eisenhower administration to encourage and reward superior performance.

NEW OFFICERS for the Mt. Top Promenaders Club are, front row, left to right, Doyle and Louise Biser, second vice president; Helen and Jeff Molle, president; second row, Bob and Karen Fint, secretary; Barbara and Arnold Feather, hospitality chairmen; and in the back row are Phyllis and Ben Knepp, treasurer. Not pictured are Carl and Shirley Bittinger, vice president. Caller for the club's events is Al Schwinabart, Elk Garden. Membership is open to couples interested in square dancing, and a new class will be started this fall. Those interested may contact any of the officers for additional information.

QUESTIONS & ANSWERS

Q. We have just started shopping for a home and found the prices to be very high. Should we wait in hopes that prices will lower?

A. Chances are home prices will go even higher; part of the reason is inflation. Investing in a home now before prices go higher is one of the best hedges against inflation. Keep in mind that next year's 'bargain" price may be today's going price.

Send in your questions to our office. All questions will be answered.

RESIDENTIAL

MT. LAKE PARK - Three-bedroom ranch style home with partial basement. Large living room with fireplace, dining room, kitchen. Interior needs to be finished. Garage \$32,300.

PUBLIC NOTICES

IN MEMORIAM In loving memory of my husband, Perry Uphold, who passed away three years ago, June 4, 1975.

June brings sad memories of a loved one gone to rest. You can't know the feelings or the sadness that it brings until you lose a loved one. It only takes a little space to tell how much we miss you, but it will take a lifetime, dear husband, to forget the day we lost you; and secret tears still flow, what it meant to lose you, none will ever know.

wife, Evelyn Uphold, Son, Steven Uphold Brothers and Sisters

CARD OF THANKS

I would like to express my thanks to all friends and relatives for their cards, flowers and visits during my illness in As many of you know, the the hospital. I want to give special thanks to the Southern Rescue Squad, Dr. Meadors, Dr. Alvarez, Dr. Johnson and all Harold Harman for their visits, and the members of the Crellin U. B. Church for their prayers. I want to thank very much Pastor and Mrs. Schrimshire and all the people of the Mt. Lake Independent Baptist Church for all of their visits and mainly for their

Mrs. Thelma M. Wilt Adv. 14-1t.

IN MEMORIAM In loving memory of Virgie E. Loving Memories

Your gentle face and patient smile, with sadness we recall; you had a kindly word for each, and died beloved by all. The voice is mute and stilled the heart that loved us well and true, ah, bitter was the trial to part from one so good as you. You are not forgotten loved one, nor will you ever be; as long as life and memory last, we will remember thee.

We miss you now, our hearts are sore, as time goes on we miss you more; Your loving smile, your gentle face, no one can fill your vacant place. Sadly missed by her family

Cooking Corner

by Mariane

It's fresh strawberry time again and there appears to be an abundant supply of the juicy, fragrant berries. Strawberries are records of District Court. Two versatile and can be used to provide many taste-tempting delights such as jams, jellies, pies, cakes, fruit salads, homemade ice cream, milkshakes, toppings, sauces and glazes.

When buying strawberries, look for plump berries with bright color, rich flavor and pleasing aroma. Strawberries bruise easily Street, Deer Park, and Lee S. and, depending on the degree of ripeness when purchased, can Walker, RD 1, Oakland, and, depending on the degree of ripeness when purchased, can Walker, RD 1, Oakland, deteriorate quickly if not handled properly. If berries are very pleaded guilty of exceeding the ripe when picked or purchased, plan to use soon or flavor, quality and amount of yield will be reduced.

The following recipe is from "Joys of Jello" cookbook and is shared by Robin Sandsmark.

FROSTY STRAWBERRY PIE

1 cup sliced fresh strawberries 1 package (3 oz.) Strawberry or Mixed Fruit Gelatin

1 cup boiling water

14 cup sugar 1 pint vanilla or strawberry ice cream

1 baked 9 inch pastry shell, cooled Combine gelatin, sugar and boiling water and stir until Robert P. Dedes, Pittsburgh; gelatin and sugar are dissolved. Spoon in ice cream, stirring until Michael A. Gilley, Micaville, melted and smooth. Chill until thickened, about 20 minutes. Fold in strawberries and pour mixture into pastry shell. Chill until RD 1, Oakland; Roger L. firm, about 11/2 hours or longer. Garnish with whipped cream or Brown, Elk Garden, W. Va.;

whipped topping, if desired. The following recipe is from "Farm Journal Freezing and Deer Park. Canning Cookbook." This is easy to make and the fresh strawberry taste is unbelievable

UNCOOKED STRAWBERRY JAM

2 cups finely mashed or sieved strawberries

4 cups sugar

1 package powdered fruit pectin

1 cup water Combine fruit and sugar. Let stand for 20 minutes, stirring

occasionally. Boil powdered pectin and water rapidly for one minute, stirring constantly. Remove from heat, add strawberries and stir about two minutes. Pour into containers and cover. Let stand at room temperature for one hour. Refrigerate until set. Store in freezer. Once opened, refrigerate. Makes 5-6 half pints. These jams will keep in a refrigerator for 2-3 weeks and will keep for up to a year in a regular freezer.

NUTRITION NOTE: Strawberries are a rich source of vitamin C which is an essential vitamin needed daily. Vitamin C prevents scurvy and is important in the maintenance of body tissues and promotion of healing. Strawberries which are washed without stems will lose more Vitamin C than berries which are de-stemmed after washing. Also, gently twist the fruit from the stem rather than pulling it from the stem.

TIP OF THE WEEK: If you are doing errands on a hot day, try to make grocery shopping the last stop on your list. Foods which are perishable can spoil easily in a hot car on a summer day. You might consider investing in a small, inexpensive foam freezer chest which will provide a safe place to store perishables for short periods.

Now At First National Bank . . .

Now, The First National Bank of Oakland is pleased to offer our savings customers COMPOUNDED DAILY INTEREST, payable quarterly on March 31, June 30, September 30, and December 31, on all Passbook Savings Accounts.

No longer will you be penalized for withdrawing money from your savings account at the wrong time. Interest will be earned and compounded, from the day you deposit until the day you withdraw, providing you have a \$10.00 balance in your account at the end of each quarter.

The annual interest rate is 5%. Compounding the interest daily gives you an effective yield of 5.13%. If you close your account during any quarterly interest period, accrued interest during that period is forfeited.

COMPOUNDED DAILY INTEREST is also available on all new and renewed Certificates of Deposit. It's the best way to save . . . and now with an even better return! Thanks to COMPOUNDED DAILY IN-

Two-Thirds Of the student's academic record \$9,000 Cancer Fund

Garrett County has now attained more than two-thirds of its 1978 quota for the Ameri-

Garrett County residents have donated \$6,877.80 of the \$9,000 quota. Volunteers began house-to-house canvassing in April to help raise the funds.

By June 2, \$662 had been received from memorials; \$4,022.73 from house to house collections; \$115 from mailers; \$1,043.25 from business sources; \$195 from professional people; \$197.07 from public employes; \$158 from clubs and organizations; and \$384.75 from special events such as a bowling tournament.

Collections will continue until the August 31 deadline, and all volunteers are urged to turn their money in to Earl Clark as soon as possible.

Special fundraisers pending include a tennis tourney and a horseback ride-a-thon.

Summer-Like Weather Prevails

Summer-like weather has prevailed over the Mountain Top the past week. Temperatures were about normal with some thunder storms but still much sunshine.

Sunny skies prevailed from Wednesday through Friday. Saturday was rainy with .67 inch falling. Monday was clear turning cloudy by evening. Tuesday was mostly clear changing to thunder showers by late afternoon. Yesterday was mostly clear in the morning becoming somewhat cloudy by afternoon. Skies were

Temperatures averaged .8 degree above normal. Highs averaged 75.7 degrees or 1.7 above normal. The week's high was 84 degrees last Friday. It was 81 the day before. The coolest day was Sunday with 65 degrees. Lows averaged 47.4 degrees or .2 below normal.

The Southern High golfers have been phenomenally successful since their organization in 1971. In the span of their seven year career they have earned seven Potomac Valley Conference (PVC) championships.

The team was begun by Coach Don Stemple who guided their activities during the first year. Coach Jim Meyers then worked with the golf team for five years until Bill Freyman, a five-year veteran of Southern High School replaced Meyers

Freyman is a graduate of the University of Maryland and finds his new coaching position challenging. He stated, "I've learned a lot this year. Some mistakes have been made, but they won't be repeated next year." At any rate, the Southern golfers tallied a season record this year of 25-3; not a bad record for a first year

The team will lose several senior golfers to graduation this year. Larry Sanders, who played on the team for four vears, leaves with the record the team. for lowest individual score in PVC competition - 75, at three points over par. Larry is a three-time PVC participant and was the 1977 PVC champion and most valuable player for Southern. Over the past two years he has maintained an 81.5 average with an individual record of 104-4. Larry also served as the 1978 co-captain of his team and considers winning the PVC championship as the high point in his career. He said, "I think the golf team can be even desire to win - and never lose." Larry hopes to attend college on a golf scholarship or attend a business college.

> Another senior, Jeff Orr, is the 1978 PVC champion and MVP for his team. He is the other team co-captain and has maintained an 81.1 average over the past two seasons, earning a 104-4 individual record. Jeff played for SHS for four years and was chosen for the PVC All-Tourney team two to attend college in North Carolina and play golf on the collegiate team.

Jim Clark is also a senior and will be leaving the SHS team this year. He has been described as a very strong, highly spirited player and participated in team competition during his senior year. Being accustomed to firsts, the golf team used the talents

334-2197

GREEDY GOLFERS — In the seven years since the SHS golf team was created, the team has captured seven PVC championships. Pictured, left to right, are Matt Pritts, Jeff Ryscavage, Dan Daniels, Dean Daniels, and Jim Clark. The team has every intention of capturing the remainder of the PVC titles.

Oakland Drops Doubleheader, 11-4

The Oakland Pen Mar Baseball team was swept by Moore-

field this past Sunday. In the first game G. Smith knocked in two runs for Moorefield with two triples and Holly Martin hit a two run homer. Ernie Shotwell doubled home Lawrence Nesselrodt for Oak-

land's lone run. In the second game Oakland committed costly errors to give Moorefield the winning advantage, 11-4.

Dave Bender singled home

Ernie Shotwell in the third inning and then scored on a past ball. In the fourth inning, Corky Sweitzer doubled home Terry Helbig.

.G. Smith knocked in three runs for Moorefield with two hits and Holly Martin tripled in

This week Oakland plays at Island Creek in a nine-inning night game Saturday beginning at 7 p.m. On Sunday, Oakland hosts Cumberland in a double header at 2 p.m. at Southern High School's baseball field.

YOUR FORD DEALER HAS THEM...

FORD TOUGH TRUCKS, #INGASMILEAGERATINGS.

BEST V-8 GAS MILEAGE

Ford's tough-to-beat 302 V-8 does it again. In '78 EPA pickup ratings, it tops every other gasoline V-8 tested. And for '78, a synchromesh 4-speed overdrive transmission is available, too.

Ford F-100 with 5.0 litre (302 CID) V-8 and manual transmission

BEST 6 GAS MILEAGE

Ford's 300 Six has the biggest displacement of any six-cylinder pickup engine. Yet, once more it leads all standard gasoline pickups in EPA gas mileage ratings. A combination of size and economy that's hard to pass up.

Ford F-100 with 4.9 litre (300 CID) Six

> The Homemakers gave away Oakland; Robert Dickinson, Oakland; Priscilla Bell, Oak-Hoyes club, candles, ban- land; Dora Schlossnagel, Accident; Ireta Callis, Mt. Lake

A CHANCE TO DISCUSS HAPPENINGS was evident among workers at the booth sponsored at the Homemakers mini-fair by the members of six-month old Kitzmiller club. Pictured are Nellie Junkins, Isabelle Elliott, Reah Phillips, Ruth Tuel, president, and Kathy Paugh.

AN APPROPRIATE MAYPOLE decorated the baked goods booth offered by members of the Meadow Glade Homemakers Club at the mini-fair May 25. Above are Opal Roy, secretary; Flossie Likens, and Jean Peterman, president. Opal Fazenbaker is vice president.

THE SWALLOW FALLS Homemakers booth at the mini-fair May 25 attracted buyers from other clubs, such as Ellen Humberson, second from left, a member of the Friendsville club. Shown with her are Mary Glotfelty and Betty Beitzel, Swallow Fails members. Handcrafts of all types decorated the booth.

LOOKING OVER EXHIBITS at the Bittinger Homemaker booth were members Janet Brenneman, who is the club secretary, and Ethel Buckel, a member who demonstrated crewel work handicrafts for those assembled at the mini-fair May 25.

THE WINNER IS . . . — The Garrett County Homemakers featured a drawing for food baskets at their recent mini-fair. The fund-raising activity collected \$408 as the county homemakers' and 4-H's contribution toward the Ann Carroll IFYE fund. Ann will depart June 18 for a six month stay in Trinidad and Tabago as the U. S. delegate in the International 4-H Youth Exchange Program. Ann, left, is assisted by Mrs. Opal Fazenbaker, president of the County Council of Homemakers; and Jane Rentschler, Extension Agent for Home Economics, right

udices and hardness of heart are

too well established in people for

making in the church, smugly

confident that God was dependent upon them for his defense. When people are that confident

of their role as God's defenders.

it is very difficult for God to get

through to them, let alone per-

suade them that the God of heaven and earth does not need

defenders, but servants. Of

course, it's always more fun to

be a defender than a servant. The

capacity of the God-defender for

causing "no small dissension" in

The church at Antioch, how-

ever, approached this dangerous

the church is staggering.

YOU SHOULD CHOOSE ONE PHARMACY

Because today's medicines are so much more potent and so much more specific, it has become very important that a family choose one pharmacy to fill all their drug needs for both prescription and nonprescription drugs. A family should "shop" for a pharmacy they feel comfortable with in much the same manner they "shop" for a physician or dentist.

We hope you will choose our pharmacy for your family. We are dedicated to your better health and concentrate our efforts toward achieving this goal.

YOUR DOCTOR CAN PHONE US when you need a medicine. A great many people entrust us with their prescriptions. May we compound

Miss Riggs Is Named Finalist In Scholars Program

The Commission on Presidential Scholars has named 600 finalists in the 15th annual Presidential Scholars Program. Janice Riggs, who graduated from Northern High School Sunday, is among those finalists.

The Presidential Scholars Program annually selects the nation's outstanding graduating high school seniors on the basis of scholarship, leadership and creative accomplishment. Candidates for this honor are initially identified as top scholars from the more than two million graduating seniors who elected to take the Scholastic Aptitude Test of the Educational Testing Service or the ACT Assessment of the American College Testing Service in preparation for college entrance.

Miss Riggs received a

Water Skiing - I've just been hooked on water skiing. There's just nothing like the sensation of being dragged across the lake on your face at 60 m.p.h. The other water skiers are probably jealous of me after watching the display I put on the other night. When the boat steered to the right of to 65.00; Utility, 58.00 to 60.00; the bridge pier, I skied to the left of it. It was probably the first time they've seen a skier

and a boat flip simultaneously. Kayaking - I haven't tried this sport yet but I hear it's faster than rowing. I'm a little leary about getting into a boat that looks as if it was built around the kayaker. Once you've positioned yourself in the kayak you strap a helmet on your head and grab a paddle. The paddle, contrary to popular belief, is not for paddling - it's for fending off rocks. Most kayakers get a never see - a submerged view of rocks coming at you at 30 Medium, 30 to 36 cents per doz. m.p.h.

Tennis - My favorite sport and the only sport that has a dress code. I tried to play las weekend in a pair of cut-off: and a tank top. I was forcibly removed from the court. In order to play tennis you will need a tennis outfit (\$50), a tennis warm-up jacket (\$35), Arthur Ashe tennis shoes (\$22.50), Tretorn tennis socks (\$5), headband and wristbands (\$7.50), an aluminum racket with custom grip (\$125), tennis balls (\$3.50) and a tennis ball pressurizer (\$15).

Expertise comes with practice, but the most important thing to remember is never be seen in the same

Downtown Oakland 334-3913 tennis outfit twice.

A Spring Clean-Up THANK YOU

her birthday

Once again the annual Spring Clean-Up was a great success, mainly because of the many who cared enough to brave the inclement weather.

The Deep Creek Lake Business Association commends those governmental officials, local businesses, youth organizations, property owners and visitors who volunteered their time & facilities, or sponsored clean-up teams. They all helped make this part of our county a more beautiful place in which to live and enjoy. The following deserve special mention:

Lutherans believe . . .

IS LOVE

veys a love that gives itself.

Does that mean God loves us as a young man loves a young woman?

If it does, then God's love might be changeable sometimes aflame, sometimes cold, sometimes in

Obviously, the heart of the matter lies in the word

The word love - as used in reference to God - comes from a Greek word, agape, meaning "to give for the sake of another."

So. God gives Himself for the sake of another, namely, man. This He does in every moment as He constantly preserves and sustains His creation - the world and all that's in it.

God also gave for the sake of another when He went to the cross in the person of Jesus Christ. As Scripture points out, "Herein is love, that a Man would lay down his life for his friend." In the man, Jesus Christ, God in the flesh did just

Lutherans believe He did it for the sake of every human being . . . and that He wants you to believe

He did it for you. Would you like to know more of this confessional and

ecumenical church? A cordial welcome will be yours. THE LUTHERAN CHURCHES OF GARRETT COUNTY

bills that may begin to generate interest in the months to

"Congressman Richmond has introduced a bill to boost appropriations for the new Institute of Museum Services to \$25 million. The Institute's current budget is a mere \$3.7 million, despite the original authorization of \$25 million. Richmond's effort is expected to raise the Institute's funding to about \$8 million for now, setting the stage for further increases later."

Mrs. Wolf Attends Michigan Graduation

Josephine E. Wolf, Oakland, has returned to her home on Reese Street after a week's visit with her daughter and family, Mr. and Mrs. Norman Reimschisel of North Adams, ter of Mr. and Mrs. Paul Michigan. While there she Sebold, McHenry, is the latest attended the High School candidate in the Area I Marygraduation of her granddaugh- land Dairy Princess competer. Kathy Jo.

Kathy Jo graduated with Mary Lynne, a junior at honors, receiving the Lion's Northern High School, is an Club Scholarship, the Science honors student, secretary for award, the Service Award, the Senior High Chorus, a Academic Recognition and the member of the God Squad Club DAR Award. She had been a and typist for the school newsmember of the band, the honor paper. band, the band council, the of "American Artist." She stage band, the GAA and the Drama Society and was the recipient of the Drama Award. She was also Junior Class Secretary a runner-up as Delegate to Girl's State during her junior year and a member of the National Honor Society for National Conference idea were two years and was awarded held all around the country the John Phillip Sousa Award.

NOTICE OF PUBLIC HEARING

The Garrett County Commissioners will conduct a public hearing on June 12, 1978, at 10:30 a.m., in the Grand Jury Room, Garrett County Courthouse, to present and take testimony on the proposed County Budget (including Federal Revenue Sharing and Anti-Recessional Funds) for Fiscal Year 1978-

The proposed budget is as follows

The proposed bodger to do tollette.			
	This Year	Next Year	
Expenditures	('77-'78)	('78-'79)	
General Government	\$ 466,790	\$ 583,013	
Public Safety	322,799	373,604	
Public Works	1,993,227	2,038,482	
Health & Welfare	290,208	303,459	
Correction	20,683	33,548	
Education	3,508,861	3,949,328	
Culture & Recreation	54,000	63,784	
Public Service	58,289	55,705	
Economic Opportunity	25,000	25,000	
Capital Costs	1,907	150,000	
Miscellaneous	288,205	304,499	
Total Expenditures	\$7,029,969	\$7,880,422	
	This Year	Next Year	
Revenues	('77-'78)	('78-'79)	
Property Tax			
1977-78 tax rate of \$2.63	\$4,582,709		
1978-79 tax rate of \$2.45		\$4,812,033	
Local Taxes, Other	1,518,000	1,925,000	
State Shared Taxes	141,000	145,000	
Licenses & Permits	54,432	55,900	
State Grants	308,534	385,800	
Inter-Government Revenue	22,812	22,989	
Charges for Services	107,339	106,700	
Fines	500	500	
Other Revenue	44,643	226,500	
Surplus Appropriated	250,000	200,000	
Total Revenue	\$7,029,969	\$7,880,422	

The County Commissioners are proposing a reduction in the property tax rate of 18° for this tax year. Last year's property tax rate was \$2.63, and the certified value of all assessable property was \$183,000,000. The rate multiplied by the value produced revenues (less discounts) of \$4,491,209.

To produce the same revenues as last year (including certain State Aid adjustments), the tax rate would be \$2.40. This rate is called the constant yield rate. For this taxable year, the actual property tax rate is \$2.45. This rate is 5° more than the Constant Yield Tax Rate and will produce in revenue \$103,468 more than produced by the constant yield tax rate.

The proposed Revenue Sharing Budget is as follows:

REVENUE SHARING

REVENUE	1978-1979
July - September 1978 October - December 1978 January - March 1979 April - June 1979 Estimated Interest Balance from FY '77-'78	\$ 181,282 181,282 181,282 181,282 4,000 15,000
Total Available	\$ 744,128

EXPENDITURES

Department	Operating Expense	Capital	Total
General Government	A 0.000		\$ 2,000
Audit	\$ 2,000	6 22 000	32,000
Election Board		\$ 32,000	
Courthouse		439,128	439,128
Geologic Survey		3,800	3,800
Law Library		3,000	3,000
Public Safety		* / 000	14 000
Sheriff's Department		16,000	16,000
Education			
Board of Education		56,000	56,000
Garrett Community College		20,000	20,000
Roads Department	167,200		167,200
Solid Waste		5,000	5,000
TOTAL REVENUE SHARING LEVY	FY '78-'79		. \$744,128

The proposed Anti-Recessional Fund Budget for the first quarter of FY '78-'79 is as follows (these funds must be budgeted quarterly)

EXPENDITURES Garrett Community College Garrett County Roads Dept. \$78,276

Copies of this proposed budget are available at the County Commissioners' Office.

AN UNUSUAL QUILT was displayed by Carol Glotfelty, a worker at the Garrett County Extension office, at the Homemaker mini-fair May 25, at McHenry. Carol's quilt, the brainchild of her late father, R. O. Glotfelty, incorporates all the ribbons Carol has won in horse shows since she first began showing when she was very small. The quilting was done by Bittinger area women, Mrs. Emma Glotfelty and Miss Alma Orendorf.

SPRING REVIVAL (3 nights)

301 S. Second Street

Pine Grove Church of the Brethren, Swallow Falls

Donald Matthews, Pastor

June 9 - 11, 1978, 7:30 P.M.

SPEAKER: Rev. Cecil Taylor, Founder and Executive Director of the Union Rescue Mission of Western Maryland, Inc., Cumberland, Maryland.

SPECIAL MUSIC each service. Mrs. Janie Taylor will be guest soloist.

EVERYONE is cordially invited to hear this man of God, transformed by God's Grace from alcoholic to minister.

Rev. Cecil Taylor

"These days, the first thing a new employee wants to know is when he can get in our Blue Cross and Blue Shield plan."

"A long illness can make a poor man out of a rich man. And they know it."

Douglas R. Abbott, General Manager of the Oxford Boatyard, knows from personal experience how fast hospital and medical bills can add up. And how his company's Blue Cross and Blue Shield program provides protection

His employees consider it an important part of their benefit package. They're anxious to become eligible for the program as soon as possible. "Our Blue Cross and Blue Shield pro-

gram contributes much to employee morale

"We adjust our coverage to be best

As the management of Oxford

Boatyard modifies its health care program to keep pace with the changing

needs of the company and its employ

ees, so Blue Cross and Blue Shield

for the times."

deal strictly with Marylanders and Maryland Your coverage travels with you

grams are quickly made available

Even though we're Maryland companies your Blue Cross and Blue Shield coverage is good in all 50 states. Mr. Abbott found this out for himself when his son was injured in a neighboring state. His card was accepted

We can move fast. We're local companies We make our own decisions based on local

needs. And we can stay flexible because we

mmediately. No questions, no hassle f you or your employees travel, that's good thing to know. 'More coverage for the money. Year in and year out. return more money to Maryanders in health care benefits han anyone else. That's because

We hardly ever have any administrative problems. Blue Cross and Blue Shield handle all the

paperwork. A modern computer system gives high efficiency while keeping costs down. If there's ever a complaint or problem, a phone call puts the right people to work to straighten things out. Fast. It's service and benefits like these that make Blue Cross and Blue Shield an important part of so many people's lives. It's why Mr. Abbott, his company, and his

employees don't want to be without it. You shouldn't either. Call us for full infor mation on high-value, high-service Blue Cross and Blue Shield programs.

Award Winners

"First Mates" Are

In their first showing as the 'First Mates' Majorette Corps, 48 Oakland girls captured second place last Friday in the Cumberland Dapper Dan Parade. First place went to the award winning "Williamettes Drum and Bugle Corps" from Williamsport, Maryland.

The majorettes, formerly known as the "Oakettes," have changed their style and appearance and will be recognized as the "First Mates."

The "First Mates" are taught by Doris Eddy and Karen Eddy who are both professional certified baton teachers. Karen has won over 500 awards in competitive twirling and many of her students in the corps have earned numerous trophies in solo

Summer classes for new recruits will begin on June 19 and girls age five and over will be accepted for membership at that time. For further information call Doris Eddy, Director at 334-3625.

A world of

country's newest sounds in contemporary music, will perform at the Meadow Mountain Mennonite Church on June 17 and 18. The church is located on Route 495 near the Glendale Road. Mr. Moore, who is an accomplished guitarist and vocalist, has been called "one of today's finest Christian composers." The times of the performances are as follows: Saturday, June 17, 7:30 p.m.; Sunday, June 18, 10:50 a.m., and 1:45 p.m. There will be no admission charge, however a free will offering will be taken at each of the services. Rev. Edgar Miller, pastor, invites the public to these services.

How Lucky Can A Beekeeper Bee?

A local beekeeper reported an unusual incident last week

up residence. queen. A small amount of Beitzel that this was the first new hive of bees.

Before the bees could arrive, a swarm looking for a home found the super, and settled

It certainly saved a lot of when a swarm of bees trouble for Mr. Beitzel, who descended on his hive and set said he plans to keep the new bees when they arrive, and Wendell Beitzell said that place them in another super during the winter his hive of stored in his garage. Many bees had died, including the local beekeepers have told Mr. honey remained in the super, instance they could recall of a however, and he had ordered a swarm settling right in a hive, without having to be hived.

Income Was \$22.5 Billion For 1976

Maryland State Comptroller Louis L. Goldstein reported this week that Marylanders paid State income tax on \$22,518,855,931 in gross Maryland income for 1976. The information is part of a summary of State income tax returns filed for Calendar Year

A total of 1,618,930 resident individual State income tax returns and 24,370 non-resident returns were filed on 1976 income. "That's up from the 1,586,565 resident and 23,275 non-resident returns filed on 1975 income," Mr. Goldstein

He noted that Maryland taxpayers took deductions totaling \$3,010,073,124 and personal exemptions totaling \$2,895,369,696 on the tax returns they file on 1976 income. One statistic which is likely

to change when returns re-

ceived this year are summar- tax return regardless of what turns (249,203) came from This was followed by Baltiized, is the percentage of tax- they did on their Federal tax Baltimore City with 248,570 more County (\$4.08 billion), payers claiming the standard forms," Comptroller Goldstein deduction. An Equal Opportunity Employer. Garrett County Merit System Board

Robert Stemple, chairman -Adv. 15-3t. PUBLIC NOTICE

Designation of Professional Standards Review Organization for the Western Maryland area. The Western Maryland Review Organization, Inc. has been conditionally designated by the Secretary of Health, Education, and Welfare as the Professional Standards Review Organization for PSRO area No. 1, consisting of Allegany, Garrett, Frederick

PUBLIC NOTICES

State of Maryland, pursuant to section 1152 (a) of the Social Security Act, 42 U.S.C. 1320c-(a). The Western Maryland Review Organization, Inc. has been found competent by the Secretary to assume responsibility for review of health care services and items provided in designated long-term care facilities to persons eligible for benefits which may be paid for under the Medicare, Medicaid, Maternal and Child Health and Crippled Children's programs funded under Titles XVIII, XIX,

and V of the Social Security Act.

Western Maryland Review Organization, Inc. will assume such review responsibility ursuant to Title XI, Part B (42 U.S.C. 1320c et seq.) of the Social Security Act and regulations and guidelines thereunder, in accordance with a phase-in timetable approved by the Secretary. Such timetable and the formal plan for the assumption of such responsibility is available for public inspection between the hours of 9:00 A.M. and 5:00 P.M. Monday through Friday at Western Maryland Review Organization, Inc., 329 North Potomac Street, Hagerstown, Maryland 21740. Assumption of review responsibility means that PSRO determinations (subject to statutory provisions for reconsideration and appeal) will be conclusive upon Medicare and Medicaid administrative agencies and advisory to Maternal and Child Health and operating the communications Crippled Children's program agencies for purposes of payment of claims under Titles

> Security Act. On or about July 1, 1978, the Western Maryland Review Organization, Inc. will assume responsibility for review of health care services and items provided in long-term care facilities approved for services under Title V, XVIII and XIX Adv. 14-3t.

NOTICE Notice is hereby given that the State Highway Administration of the Maryland Department of Transportation has requested and received location approval from the U. S. Department of Transportation, Federal Highway Administration relative to the construction of a new bridge and approach roads carrying U. S. Route 219 over Deep

Beach The location for which approval has been requested and received (Alternate "D") begins on existing U. S. Route 219, approximately 1500 feet north of the existing bridge over Deep Creek Lake. The alignment then continues to the south and crosses to the east side of the existing highway. Access will be provided at Rock Lodge Road and Old U. S. Route 219 by reconstructing the existing intersection. The alignment parallels the existing highway and bridge to the south shore of the Lake. Access will be provided to the rental cabins, boat ramps and commercial businesses along U. S. Route 219 north of the existing bridge. After crossing to the south shore, Alternate "D" ties into the existing highway at the intersection with Lake Shore Drive. The project terminates at Leo Friend

The State Highway Administration is considering the design approval for this project in accordance with Certification Acceptance Operating Procedures. The proposed design for the roadway provides for two (2) twelve (12) foot lanes with ten (10) foot shoulders and twenty (20) foot safety grading on each side. The typical section for the bridge provides two (2) twelve (12) foot lanes with ten (10) foot shoulders. A ten (10) foot bike/Walkway would also be provided. Beginning on June 8, 1978, maps, Combined Location/Design Public Hearing Transcript and the Final Negative Declaration submitted in support of the location

### The Great Revolt . . .

One of the more interesting items making the headlines during the past week is California's Proposition 13, the greatest tax revolt since the days of the American Revolution.

Whether or not one agrees with this measure by the California residents, one must admire them for taking such a bold step. This legislation will remove some \$7 billion from the pockets of the California government. Time will tell if this decision was a wise or foolish one. Dairy Princess

We hear politicians, mainly those who are seeking office, exclaim every day how they will cut taxes and cut Miss Marie Guard, daughter office, exclaim every day how they will cut taxes and cut government spending. Most of them never are able to do it. Oh, they may cut a few hundred thousand dollars here, or maybe even a million there. But, imagine a cut of \$7 or maybe even a million there. But, imagine a cut of \$7 thursday evening at the Dairy billion. That's seven thousand million dollars, and in just Princess Banquet held at the one state! It's truly staggering (especially to those who Will o' the Wisp, and will presently hold office in California).

Proposition 13 may turn out to be a great mistake. gany Dairymen at local shows, California could suffer if too many worthwhile programs fairs and banquets as Dairy and services have to be axed. Prices and inflation will Princess. most likely continue to rise for everyone, including daughter of Paul and Edna Californians.

On the other hand, perhaps citizen-forced legislation such as Proposition 13 is one of the best ways to make a Miss Cynthia Sue Kamp, real dent in inflation. Nothing else seems to be working. It daughter of William and Mary will force the California government to seek maximum Kamp of Grantsville, was deefficiency, something which our state and federal clared second runner-up. governments have not had for decades. It will reveal just The Dairy Princess was how much waste exists in government budgets. crowned by Valerie Loughrie,

Does legislation like Proposition 13 destroy progress? present FFA Officer and past Maybe for a short while. Progress, like everything else, is Farm Bureau Farm Queen. getting more and more expensive all the time. But why Mrs. Dorothy Leuba, Mrs. does it have to be expensive? If we can defeat inflation Joyce Bishoff, and Mrs. Betty and roll back the prices, there is no reason that the cost of progress will not also come down.

cess candidates and helped Footnote - Ironically, if Proposition 13 were enacted each girl prepare a 3-5 minute here in Garrett County, our property taxes would be speech on some aspect of the dairy industry. Mrs. Carolyn \_ Ganoe, chairperson for the

members-at-large by the

. How are members of the Garrett County Memorial Hospital's Board Governors selected?

There are now sixteen (16) voting members of the Board of Governors. As specified in the county code the following shall be members, "- the three county commissioners, three county commissioner appointees (one from each district), one member from the Board of Directors of each of the two banks, President of the Oakland Town Council, President of the Garrett County Chapter of the American Red Cross, one representative of the Garrett County Medi-

cal/Dental Society." In addition to these eleven (11) members, the county code was amended to add five additional voting members to the Board of Governors. Four of these members are chosen as

THE FIRE GROUND - Quick and efficient action by Oakland firefighters are what saved this house on Mason Street in Oakland last Friday morning after fire broke out on the second floor. The blaze was located in the stairway and on the second floor and was brought under control within about three minutes. The house, owned by Paul Moore, was unoccupied at the time. Firefighters remained at the scene for about one hour

and a half. The Southern Garrett County Rescue Squad was also called to the scene. There were no injuries. Robert Shimer, fire investigator for the State Fire Marshal's Office, has determined that an arsonist was responsible for the fire. Shimer discovered three different points of origin on the second floor. The investigation is continuing.

HONORED BY MIZPAH CLASS - Mrs. Harold Harned was the guest of honor Saturday evening at a dinner honoring her for nearly 30 years of teaching St. Paul's United Methodist Church Mizpah Sunday School class, Mrs. Harned had instructed the class of young women beginning in 1939. Mrs. Lewis Jones was mistress of ceremonies for the occasion, held at the Sitzmark Room, Will o' the Wisp. Forty-two former class members were present. Mrs. Kenneth Hardesty gave a talk concerning Mrs. Harned's accomplishment, and Mrs. Harold Trickett presented the guest of honor with a jade pin. Mrs. Harned was also given an orchid as a token of their esteem, along with a 1946 class roll, and a milk glass lamb.

#### NOTICE To Garrett County Taxpayers

Would you be interested in winning the election this coming fall? Wouldn't it be nice to have several commissioners who spent your money as if it were their hard earned money? This hope is truly possible, but it means work - yes, work you must do to accomplish this objective. You'll have to determine who is seeking the office of commissioner; find out if he really is a wise spender; find out if he is honest; find out if he can handle large responsibilities; find out if he can make important decisions; and then, if you find him, urge him to run for commissioner and don't stop there. You'll have to get votes for him as if your pocketbook were involved because it bally is.

At the outse of this commissioner race, may I state to you that I an endorsing no one else, since this is your decision. I ask you to start now - don't depend upon someone else to guide you through the elections. Do yourself a refreshing layor - care who is running - care about your fax dollars. Will someone else spend them wisely, honestly, fairly and with integrity? If so, by all means get behind him and get him elected.

of a person or animal in the liquid contents. This is particularly true of manure storage because the surface gets a hard dry crust in warm weather. It appears deceptively solid: strong enough to walk on, so the area must be fenced against animals and children. Signs on the fence should be used to warn adults

### Straight Talk About Aging

by Dr. Matthew Tayback, State Director on Aging THE OLDER DRIVER

Independent living is the sulfide, is also given off in the major objective of today's programs for the elderly. Since we is bad-smelling (like rotten are a mobile society, independeggs), and has killed both men ent living includes transportation and the use of a car. A Effective ventilation is re- common fallacy, however, is quired to make the area that the elderly must give up around the manure storage driving and thus lose their safe for man or animal. This mobility because they cannot

and part-time careers. Older Because gas is heavier than people who turn in their

The following safety tips will help older Marylanders to remain active and drive safely:

Have a professional vision examination at least once every two years.

Be sure you have the proper glasses for both day and night

During the day, if sunlight glare is a problem, wear quality sun glasses. Do not Study the cars and roadway

and can compensate for the cars.

light entering the eyes and can it safely

be a handicap at night.

Be sure to keep the headlights and windshield clean. Because drugs can affect vision (and this includes alcohol and tobacco), know their side effects before taking

the wheel. Maintain correct speeds. Slow driving can cause as many accidents as excessive

For older pedestrians, if you wear them at night, however, walk on the roadway, always use when they drastically reduce the left side, facing traffic, and the light needed to see clearly. 

try to wear clothing which contrasts with the background far ahead. Check both sides of Since most auto-pedestrian misthe street and glance haps occur when a law is frequently in the rearview violated, do not jay-walk, obmirror. By keeping your eyes serve traffic signs carefully and moving, you will be more alert do not walk between parked

reduction of peripheral or side Know your capabilities well vision that occurs with age. and adjust your driving and Choose a car without a walking practices accordingly. tinted windshield. The tinting Transportation is the key to process reduces the amount of independent living. Learn to use

# Peaceful Horse Farm Ideal Location For Boys' Home

by Carol Canan

It always seems that young people and horses have a natural affinity for each other, and an outstanding example of that can be seen at the Long Stretch Youth Homes, Inc., between Grantsville and Frostburg.

Here, horses which once ran free on federal lands in Oregon have been transplanted to Garrett County, to be cared for by boys transplanted here by referrals from the Department of Social Services, Juvenile Services or private agencies throughout Maryland.

The youngsters, most of whom are classified as CINS (Children in Need of Supervision) or CINA (Children in Need of Assistance), will have the responsibility not only of feeding and caring for the horses but will be gently training them for their new roles as useful members of the equine

In a similar manner, the boys are cared for by staff members, trained in academic studies and in a trade. Average stay is 18 months, but may be as short as six months or as long as several years.

These wild horses from Oregon were brought here in November through a federal program run by the Bureau of Land Management, part of the U. S. Department of the Interior. Under their program, excess wild horses and burros are being removed from western rangelands in order to help balance resource uses on public lands, and to meet the requirements of the Wild Free-roaming Horse and Burro Act of 1971. The animals belong to the U. S. government, but

any offspring of two stallions and eight mares belong to the adopter. Horses do not need written permission from state agencies in order to have their pictures published, but unfortunately the boys who reside here do. Legal red tape involving several signatures of guardians, etc., precluded photographing any of

The sign of the star on Route 40 east of Grantsville is where youngsters from Longstretch Youth Home learn to deal with the public, pumping gas, working on small engines and in the parts room. The training is part of their vocational education each weekday.

Each boy's nook in the bedrooms of the houses shows his individuality in tastes and interests. This neat-looking corner has the living decorations provided by a boy with a "green thumb." In other rooms, drawings of cars or motorcycles might decorate the walls; in another, electronic equipment is in various stages of assembly. Interests are encouraged as long as neatness is

The globe identifies this as a schoolroom, before any other details of the room can be absorbed. Learning at the Longstretch Youth Home, Inc., is by concepts, so that youngsters can master one idea at a time and progress to the next most difficult task. Upon arrival of new boys, the social worker, teachers, parents, and state officials go over past school records to tailor a

The Incentive House, located along Route 40, houses boys who are ready to return to their communities, if they have families, or who are almost ready to leave the home for a job or military service. At right is one of three vans, one for each house, used to transport the boys to their activities.

#### B. P. W. Planning Memorial To Charter Member

Members of the Garrett County Business and Professional Women's club dined at Will o' the Wisp's Four Seasons dining room Thursday prior to the final meeting of the current business year.

President Mrs. Barbara Flinn presided at the meeting, during which four guests were introduced: Connie Higgans, Glenna DeWitt, Brenda Butscher, and Ireta Callis. Two new members were also recognized, Susan Crawford and Margie Broadwater.

When the club adjourned to a meeting room, first topic of business was a provision for a memorial to Miss Mary Speicher, a charter member of the Garrett County club in fessional Women's Foundation

the Wisp, with the first regular trip.

#### New Scholarship Program Begins

The Maryland State the final determination of the academic year provided they their high school for more Scholarship Board announces 100 Distinguished Scholars for attend a school in the State of information, or call the Marythe establishment of a new 1978, and these selections will Maryland. A grant under this land State Scholarship Board's scholarship program which be announced publicly in program may be renewed for Baltimore office, 383-4095. differs significantly from the September as the recipients three additional years provided Try Our Want Ads. They Pay numerous need-based programs administered by the Board. This new program is called the Distinguished Scholar Program, and its purpose is to recognize the top academic scholars in Maryland's public and private secondary schools, and to encourage these students to attend a post-secondary educational institution in the State of Maryland.

The Directors of Guidance of each senior high school in Maryland have been mailed Distinguished Scholar Program materials, and each high school can nominate a maximum of five students for consideration. The five students nominated by the July 15 application deadline must be entering the senior year of high school in September, 1978, and they must have a grade point average over the past three years of at least 3.70 on a 4.00 scale. High schools will contact the top academic students to determine the students' possible interest in competing for a Distinguished Slaughter Steers: good to choice, 55.00 to 59.00; medium Scholar award, but interested to good, 50.00 to 54.00; common students should feel free to contact the guidance office for

Congressman Goodloe Byron Maryland-Sixth District

land. You may send your recently to cut property taxes? printing all replies, I will asking if they would favor a plain management measures.

measure which would require a balanced Federal budget?

Five years ago, I introduced a Constitutional Amendment revenues to equal expenditures unless a national emergency were declared by the President. This measure has been reintroduced three times but has received no action by the House Judiciary Committee to which it was referred - despite the fact that it has received the support of over 150 Members of Congress. In light of growing public support for controls I have again urged the Judiciary Committee to hold hearings on legislation mandating a balanced budget. Citizens in Central and Western Maryland tell me it is time Congress accept the responsibility for keeping expenditures within a reasonable framework of total anticipated revenues and I plan to keep the pressure on Congress in this regard.

What is the purpose of the Human Resources Development Act?

The Human Resources Development Act, of which I am a co-sponsor, is designed to promote labor productivity, job pointment? security, worker satisfaction. and reduce cyclical layoffs. The Cumberland Labor-Management Relations Committee is an example of the type of effort which would be fostered by this legislation.

#### **Health Certificate** Drive For 4-H **Animals Begins**

The Garrett County Extension Service is planning a health paper drive to prepare 4-H animals for the coming Steer Camp, Holstein Black and White Show, and Garrett County Fair.

The efforts will start with veterinarian visits. Dr. F. D. Custer, of the Maryland Department of Agriculture, Animal Health Laboratory, has intepreted the requirement of a negative tuberculin test within thirty days prior to date of entry as being valid for the

entire show season. Dr. James I. Fearer of Pineview Veterinary Hospital will cover the north end of Garrett County Monday, June 19, while Dr. Paul Deal, Countryside Animal Hospital, will work should be broken to lead and make their own arrangements judging events will be in with the youth in the southern part on Tuesday, June 20.

The veterinarians request

The Importance of Sofas

Although all the furniture pieces and accessories you use are obviously important to the overall look of any room, the fact is that the sofa usually serves as the one key piece because of dominance, its use, and the way the rest of the furniture is planned

around it. Therefore, it's important that you take into account all the many different considerations in selecting a sofa because it is such a major piece.

We can give you help in these considerations. For instance, in choosing a sofa, aside from those two basics - its beauty and its comfort - be sure it has the right size and shape for the rest of

#### Carl R. Fike Receives Degree At Bridgewater

Carl R. Fike, a senior math major, has completed requirements for the bachelor of arts degree from Bridgewater College in Bridgewater, Va. A member of the class of 1978, he was named to the Dean's List for the spring term.

While at Bridgewater he was a member of the chorale and concert choir. The chorale is a group of sixteen upperclass students that performs throughout the year for alumni, civic, church, and college programs. The concert choir tours during weekends in the spring, presenting programs in churches in Maryland, Pennsylvania, Virginia, and West Virginia.

Mr. Fike is the son of the Rev. and Mrs. J. Rogers Fike of Oak-

#### Operation Care Is Paying Off

Preliminary figures indicate that Operation Care has paid off. Traffic deaths on the East Stella Edwards, Zetha Evans Coast of the United States were and June Beachy. cut down by 14 per cent during the Memorial Day weekend although there was a nationwide increase of 19 per cent as compared to the previous year.

Analysts feel this 33 per cent afternoon of fellowship. difference is a significant re- Contest Winners Announced Patrols from Maine to Florida joined together during this past holiday weekend in their first unified enforcement effort to save lives and fuel.

The participating 16 states displayed Operation Care decals on patrol cars to remind motorists to drive with care. \$3, and Tina Beitzel, third, \$2. Many of the additional The winning posters are on troopers and highway patrolmen who participated in this program volunteered for this

14 - 20 June 1978 Paul S. Frank, Jr. Observing the Sun The first observations of the sun from above the atmosphere were made from sounding rockets which spent only minutes in outer space. This amount of time is not sufficient or observations of phenomena of longer duration than a few ninutes. Later NASA designed a spacecrat to orbit the earth while pointing instruments at the sun. This series of spacecraft, Orbiting Solar Observatories, continues to be in oper ation with the eighth in the series currently observing the sun. Studies carried on by these OSO spacecraft have
